

Daily Prayer & Scripture Meditation

Genesis 1 v 27 & 28

So God created mankind in his own image,
in the image of God he created them;
male and female he created them.

28 God blessed them and said to them, “Be fruitful and increase in number; fill the earth and subdue it. Rule over the fish in the sea and the birds in the sky and over every living creature that moves on the ground.”

*...Pray as you feel led, upon meditating on the above scripture.
There is also this prayer below that you may want to pray.*

“Father, in the name of Jesus, forgive us as a Nation for disregarding Your design for life and the sanctity of Your human life and Your Church, which has not been the voice you have so eagerly desired to be...

We recognise that each person is uniquely created by You, LORD - marvellously made! You know each one inside and out. You know every bone in the body. You know exactly how we are made, bit by bit, how we are sculpted from nothing into something. All the stages of a life are spread out before You and the days are prepared before a child even lives one day. Since we now see clearly, we value the life You give.

Father each of us is an open book to You; even from a distance. You know what we are thinking. We are never out of Your sight. When we look back, we realise that You were there.

Unless Your law has been our delight, we would have perished in our affliction. We will never forget Your precepts, [how can we?] for it is by them You have quickened us (granted us life).
