70TH WINDRUSH ANNIVERSARY SPECIAL EVENTS

2018 will mark the 70th Anniversary of the arrival of the Empire Windrush, one of the ships to bring about 500 migrants from West Indies to the U.K. In 2017-2018, V Jay Theatre Productions will present special Windrush celebrations across the U.K. This event is a tribute to all those pioneers who left their homelands to come to Great Britain in search of a better life for the families they left behind after the Second World War. We want to make sure that their journey, struggle and triumph will never be forgotten for generations to come.

PLAY STREETS PAVED WITH GOLD

On tour Windrush play Streets Paved with Gold written and performed by Victor Richards has been touring since 1996. The play has been contributing to a significant part of British Black History to be told and passed on to younger generations. Each year Windrush generations are passing on and now their stories are more important than ever to be told.
