# Foundations of Drawing with Joe Terrone

## 2 day Workshop

Wednesday, Nov 14 & Friday, Nov 16

Wednesday 1-5pm & Friday 9:30am-4pm (30min. Lunch)

Geared to all those who want to learn to draw, this workshop concentrates on strong foundations through teaching the basics while expanding knowledge you already possess.

Many of us artists were thrown into our creative lives without the drawing skills we need to make strong images. Here is a class teaching you the basics while expanding on what you already know.

### Class concentration:

- “Seeing” & transferring to paper using positive and negative space, sighting, measuring and value judgment.
- Creating strong compositions with thumbnails, leading the eye, balance and focal points plus enhancing drawings using edges, contrast & atmospheric perspective.
- Line & form through contour drawing and shading.

Learn to maximize your strengths while developing a strong supporting cast of skills. This class is for the beginner as well as those who just want to enhance their drawing skills.

**MAG Members: \$120 Non-Members: \$150**

# MAG Bites

## Putting Pencil to Paper!

When I started art classes, one tool I didn't have in my toolbox was drawing. I just couldn't wait to swirl color and see what I imagined come to life. But sometimes, many times, there was just something wrong. Too often, the drawing or composition was just off enough in some way to throw everything out of whack.

I didn't possess knowledge of a building block of art, drawing. Frankly, I was afraid of drawing.

But I've learned drawing isn't some special inborn talent, you can learn how to do it, and do it well.

Joe Terrone's drawing class opened a new world for me. He's a great teacher, patient and encouraging, ready to help you get to the next level. Everyday I use something I learned in class. I even entered a drawing in a show.

Remember using a pencil also means getting to use an eraser...and now they even have "electric" erasers!

In November, MAG is offering a workshop with Joe. Do yourself and your artwork a favor...build a strong foundation in art with drawing.

### We STILL Need Docent Volunteers!

As a docent, you spend a few hours talking to patrons, paint a little, and gain inspiration. PLEASE VOLUNTEER! Our Gallery showcases our artists' talents. That's you! Sales keep the lights on & pay the rent, and most importantly, keep the doors open! At other galleries, if you display, docenting is mandatory. Not our policy as yet, but if the same few people don't get some help soon, we may revisit that rule. Being a docent is a 4 hour commitment from 11am – 3pm. Training is simple, commonsense a must, and help is only a call away. Please contact Sharon Hammesfahr -

[sharonhammesfahr@gmail.com](mailto:sharonhammesfahr@gmail.com) or call 302.270.1216.

### It's Gonna Take a Village!

Imagine walking through Milton on a clear fall day, seeing an artist on porches, in gardens, in front of businesses... That's the reality the board is working toward. In October of 2019, MAG is embarking on a new project...MAG Art Walk. It's a massive endeavor...our goal is to raise the recognition of MAG by promoting our artist's talent. **We will need your help to make it happen!** Committees are being formed now...Advertising, Artist Participation, Spaces (porches/gardens/etc), Hospitality, and Gallery. Please help us make this new experience a success. This venture will take a LOT of participation. If you haven't volunteered to help with anything in the past, this is one to do. Email us at [MiltonArtsGuild310@gmail.com](mailto:MiltonArtsGuild310@gmail.com) to tell us you will help!

More Details to Come!
