24th Annual Mid-Atlantic High School Baseball Series

Welcome to the 24th Annual Mid-Atlantic High School Baseball Series, featuring the "Futures Classic" and the "Crab Claw Classic". The "Classics" provide high school baseball players the opportunity to showcase their baseball skills for college coaches. On Friday, August 1, players from Maryland, Pennsylvania, Delaware, New Jersey, Virginia, and Washington DC, competed for the Best in Camp Baseball Skills Awards. Players were evaluated on their baseball tools: foot speed, arm strength, hitting for contact, and hitting for power. Based on the players' performances, top prospects were selected to compete in today's all-star contests.
