# THE THIRST PROJECT:

## HELP MAKE MAST'S GOAL A REALITY

At the beginning of this month, we watched the presentation of an extremely worthy organization: Thirst Project. As a recap, Thirst Project strives to raise money to build wells in struggling communities around the world. By providing reliable access to clean water, communities begin to thrive: with fewer diseases, less danger, and more time to go to school or work, lives begin to change for the better--*permanently*.

After hearing about such a great cause, our very own Key Club set a goal to raise every cent needed to build a well through the Thirst Project. Using a major event in the spring, smaller fundraisers now, and any other help our members are willing to give, we are going to make this happen. If you are interested in helping, attend the organizational meetings held during lunch in Mr. Cuttrell's room or sign up with your own fundraising goal on MAST's page of the Thirst Project website.

Every contribution you make helps to reach our goal and make a difference in the world!

*"THE BEST MEDICINE FOR DESPAIR  
IS SERVICE."*

# UPCOMING EVENTS:

## **CHARLIE'S PLACE DRIVE: ENDS DECEMBER 6TH**

We are looking for donations of warm socks, underwear, undershirts, men's long johns, hoodies, winter hats, gloves, and jackets to go to Charlie's Place, an organization that helps those in need. Donations can be placed in the bin outside Mr. Cuttrell's room. Please bring in your donations soon, as the drive ends on December 6th!

## **CSH VISITS: ONGOING**

Help out with the children's occupational therapy at Children's Specialized Hospital in Toms River...always a good time! Check email for updates. Ten students will be needed for every third Sunday of the month. (see November's volunteers, below and to the left!)

## **FULFILL (MONMOUTH COUNTY FOOD BANK): ONGOING**

Key Clubbers have been visiting the Monmouth County Food Bank, now called Fulfill, to help sort donated food. Every session ensures that food is available to families in our county, furthering this year's goal of alleviating hunger in New Jersey. Join us at our next visit! Check your email for more information. (and see November's volunteers, above and to the right!)

# **WESTMINSTER PRESBYTERIAN FOOD BANK: DECEMBER 6**

Starting December 6th, the MAST Key Club will be collecting donations for the Westminster Presbyterian Food Bank. See your email for the list of items the food bank is looking for. Each donation counts for a half an hour of community service, so bring yours in soon!

## **KEY LEADER: DECEMBER 1-3**

Best of luck to the MAST Key Clubbers attending Key Leader the first weekend of December. We're proud of you and all the work you do! We can't wait to hear what you learned once you get back. And to everyone who wasn't able to attend this year, it's never too early to start planning for next December!

## **SERVICE RECAP:**

### **STALL DAY:**

Our sincerest thanks to everyone who helped to make November's stall day a successful one. We raised lots of money to donate to two very worthy causes: Charlie's Place and Carrier Clinic. Not only did we manage to steal a few extra minutes before starting class, we also managed to support organizations that help those in need. A win-win!

### **CARRIER CLINIC DRIVE:**

Thank you for donating to the Carrier Clinic drive this past month! Your donations will help keep people warm and comfortable this upcoming holiday season. In need of some more community service hours but pressed for time? Keep participating in the current drives to earn half an hour with each donation.

**HAVE AN IDEA FOR ANOTHER  
SERVICE PROJECT? LET US  
KNOW AT THE NEXT MEETING!**

## DCON

Do you love service? Do you love leadership? Do you love competing for the coveted Spirit Stick? Then DCON might be for you! Key Club's annual convention is always a blast, as shown by last year's attendees, left. Stay tuned for registration information for this event.
