PAR GARDEN CONTINUES

Our sincerest thanks go out to the students who attended the latest PAR garden trip! This year has been an immensely successful one in terms of produce grown and donated to those in need. The cherry on top? This project directly correlates to our district's focus--hunger in New Jersey! Keep up the great work!

Keep checking your email for additional dates and opportunities to help out with this amazing project. Contact chairperson Dylan Sequeira with any questions.

COMING SOON:

START PLANNING FOR THESE EVENTS!

FALL RALLY: OCTOBER 8TH

Get ready for a great time! Key Clubbers from all over the state will meet up at Six Flags to kick off the service year. If you're signed up for the event and your parent is available to chaperone, please contact the advisors. We can't wait to see you there!

ELYMPICS: OCTOBER 13TH

Start getting your friends together! Competing in teams of eight, students can stay after school before the Chili Cookoff to compete for a cause. There will be five events, lots of fun, and lots of competition. For those on the committee, meetings will begin shortly. Keep an eye out for more information!

TRICK OR SUITE: OCTOBER 27TH AND DURING LUNCH

As Halloween approaches, children who are unable to Trick or Treat in their neighborhoods prepare to Trick or Treat in a hotel. We will be sending 5-6 students to run a room for this wonderful cause. Can't make it? Don't despair! You can still show your Halloween spirit by donating candy and helping make decorations during lunch in Mr. Cuttrell's room.

OTHER EVENTS

CROP WALK

The walk itself will be Sunday, October 15th in Red Bank. Come show your support for Stop Hunger Now! If you'd rather not walk or help out with water, feel free to donate the goods assigned to your grade: freshman peanut butter, sophomore gallon sized bottled water, junior bags of rice, and senior bags of beans. (Food drive ends October 13th.)

CSH

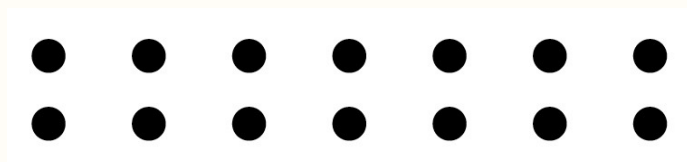

Help out with the children's occupational therapy at Children's Specialized Hospital in Toms River...always a good time! Check email for updates. Ten students will be needed for every third Sunday of the month.

THIRST PROJECT

This service year, the New Jersey District of Key Club International is teaming up with the Thirst Project in order to provide wells for towns in Africa. These wells keep children from having to walk hours every day to and from their water source in the scalding heat. An assembly and more information will be forthcoming.

RONALD MCDONALD HOUSE

Soon, the MAST Key Club will be teaming up with the Ronald McDonald House to cook homemade meals for the children staying there. A total of 12 students may attend, so check your email for the dates!

KEY LEADER AND DCON

Do you love service? Do you love leadership? Do you love competing for the coveted Spirit Stick? Then DCON might be for you! Key Club's annual convention is always a blast, as shown by last year's attendees, left.

Key Leader, in December, is also a great opportunity to learn leadership skills and get to know Key Clubbers from all around the state!

Stay tuned for registration information for these two events.
