### Consent for Multi-media recording

Opportunities arise from time to time for the preparation of educational and marketing materials that feature the students and staff actively engaged in the learning environment. To that end, pictures, videos and audio recordings may be used in the production of such materials.

These recordings may be used for the purposes of training, scholastic enrichment, advertisement, marketing, or entertainment. Additionally, such material may be posted to internet-based platforms such as the Academy's website, facebook and other appropriate social media sites.

All recordings acquired under this grant remain the property of the Academy, however their continued use is contingent upon my authorization which may be rescinded at any time. Digital copies may be made available to me upon request.

All materials will be reviewed and approved by the Academy's administration prior to use to ensure that such use is in good taste and in keeping with the Academy's Christian character.

I, \_\_\_\_\_, hereby give my consent to Brookstone Christian Academy (hereinafter the "Academy") to use my Child's, \_\_\_\_\_, image, likeness, and/or voice, in whole or in part, for the purpose of advertising, marketing or other such school-related functions as the Academy may deem appropriate. Such recordings may take the form of audio, still photography, video, or artistic representations.

I, \_\_\_\_\_, DO NOT CONSENT TO THE USE OF MY CHILD'S IMAGE, LIKENESS, AND/OR VOICE BEING USED BY BROOKSTONE CHRISTIAN ACADEMY.
