MARCH 2018

All classes take place in the Glass Endeavors studio
at 2716 E. 31st St., Minneapolis.

Fusing Basics - \$85 March 3, Saturdays, 3 weeks, 10:30 am - 1:00 pm

Add fusing to your glass art repertoire. We will create 3 finished projects learning tack, contour, full fuse, slumping (bending glass into molds) and draping (bending glass over molds) schedules. You will have hands-on experience programming the kiln and take home successful firing schedules.

Beginning Stained Glass - \$85 March 13, Tuesdays, 4 weeks, 6 - 8:30 pm

Complete a panel using the copper foil technique. Learn glass cutting, breaking and soldering. Stop in before the first class to pick your pattern, select and purchase glass (price varies) and purchase your tool kit (discounted to \$129). Other materials run \$80 on average over the 4 week class. No experience necessary.

Adding Color to Photo Transfers - \$55 March 24, Saturdays, 2 weeks, 10:30am - 12:30pm

Photo transfer paper allows you to fuse a picture onto glass permanently. Once fired, you will enhance your picture with color. Before class, email us a photo of a landscape or design. You can place your image on a bowl, plate or tile. You may also incorporate your image into a stained glass piece after class.

APRIL 2018

Beginning Stained Glass - April 4, Wednesdays, 4 weeks, 6:00 - 8:30 pm

See description above. *This class is offered through School District 196 and held at Glass Endeavors. Register with them at <http://public.district196.org/cewww/adult/> or call 651-423-7920.*

Pot Melts - \$65 April 7, Saturdays, 3 weeks, 10:30 am - 12:30 pm

This advanced fusing class offers a method to "make your own" patterned glass. Bring a 4" clay pot or 6" clay saucer along with 96COE scrap clear and colored glass, rods, frit and cutting and breaking tools. We will guide you with set up in the kiln and use of the tile saw to complete a spectacular finished piece.

Coral Reef Bowl - \$55 April 10, Tuesdays, 2 weeks, 6:00 - 8:00 pm

Our class takes the Coral Sea Bowl to the next level. Fuse strips of complementary glass and medium or coarse frit to create this unusual bowl. No experience necessary.

Glass Knobs and Drawer Pulls - \$25 April 24, Tuesday, 1 evening, 6:00 - 8:00 pm

Join us for a relaxing evening of designing 2 glass knobs or 2 drawer pulls using CPI's fusing molds. They're easy to make once you know the tricks to setting them up successfully. Molds provided.
