Mr. Wayne Evans and Mrs. Ellen Evans
MVHS – Adams Scholarship
5677 W Circle Z St
Tucson, AZ 85713

Dear Mr. Wayne Evans and Mrs. Ellen Evans,

I am writing this letter to express my immense appreciation for being selected as the first recipient of the MVHS- Adams Scholarship. The \$1,000 scholarship was put to great use in allowing me to pay my tuition and fees this year without having to take out any student loans and that is greatly appreciated.

I am from Monte Vista, Colorado and extremely proud of it. My father is also from Monte Vista so I guess it kind of runs in our blood. Upon graduation I began coaching seventh grade boy's basketball for Monte Vista and plan in continuing to coach these boys during the middle school regular season. My brother is a member for the United States Army Infantry Airborne division and we are all extremely proud of what he is doing so I have big shoes to fill. My sister is also attending Adams State University and will graduate with her degree in Secondary Education with an emphasis in English in the Spring.

I chose Adams State University largely because of the degree I am seeking which is Wildlife Biology. Currently I am working at Adams State University for the Office of Admissions as a work study and a campus ambassador. I am expecting to graduate in May of 2020. Once I have graduated from Adams State I wish to become a member of the Colorado Parks and Wildlife as a Game Warden or a Wildlife Biologist.

I would just like to thank you again for the MVHS- Adams Scholarship and for your investment in my education and future.

Sincerely,

Nevada Siemering
