PRESIDENT'S
 MESSAGE

The past six months have flown by and summer is coming. Our June 17th Luncheon Meeting will mark our half way point in the year and will be the last meeting prior to our summer break.

A few months ago we were excited about the Republican Presidential Candidate Line up with 17 contenders. We watched many debates, some we felt were not always fair to our choice of candidates. We were committed to our choice and saddened as they dropped out of the race.

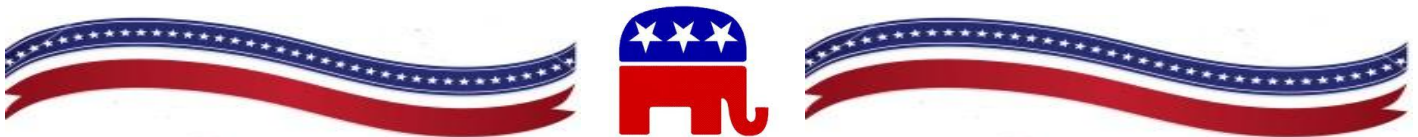

In June and November, Republican Voters will have Donald Trump, the only Republican Candidate remaining in the race on their ballot. Some of us are thrilled, some of us are appalled, some of us have even echoed the "Never Trump" line. This is forcing an awkward reckoning for those who have not supported him. Coming together is going to be hard, but needs to happen or Hillary wins! We need to overcome our differences with Trump and recognize that he has broadened the GOP's appeal to millions of new voters. Trump has the formula for electing a Republican President. The alternative is frightening.

I want to thank our RRWF Board, Members and Associates for the hard work and dedication that you have given during the past six months. Our club continues to be one of the best because of you working together, and undertaking the tasks that are critical for our continued success.

When we reconvene in September we will be asking for volunteers for RRWF Board and Committee Positions for 2017. Please contact any Board Member if you are interested. I know that some of you are volunteering to help with the Campaigns for our Republican Local, State and US Candidates. Please continue to do so; several will need a lot of help before the November Election.

I hope that all of you will have a great summer.

Marion, RRWF President

RESERVATIONS PLEASE

PLEASE, PLEASE – RSVP's are absolutely needed for our monthly luncheons. We have tried very hard to make this easy!!! RSVP to Coralee, our treasurer, at **951-776-4333** or e-mail her at gaytanc@aol.com **no later than Thursday morning before the luncheon**. She will then be back in touch to CONFIRM your reservation. We have had positive feedback with table assignments for those wanting to sit with a friend and that is really the easiest part. The hard part is finding seats for people not on the list and further, having enough food for them. The Victoria Club sets up the room the night before, schedules the food needed and the number of waiters needed.

Riverside Republican Women Federated was chartered August 5, 1953. This club has survived and maintained its status as one of the more important clubs of Southern Division and also the State of California because of the hard work of the many dedicated volunteers throughout the years. We don't thank our wonderful members often enough and this month we want to take the opportunity to thank all of you who have given generously of your time.
