The Council Looks Forward to Meeting with You

Beginning this week members of the church council will be contacting every active member of Spanaway Lutheran to conduct an inventory of current and future member involvement in our congregation. These one-on-one sessions are designed to address two of the three major initiatives voted on by the congregation, "Clear Communication" and "Every Member Engagement."

Council members will take the next few weeks to complete this survey which will be use to emphasize the importance of everyone's engagement in our church and to better utilize the individual contributions of our members. These interviews will be conducted at a convenient time and place for each member. Please be as accommodating as possible as each council member will be completing more than a dozen assessments. Thank you for your participation; the council is extremely excited to talk with you.
