A message from Council

We would like to remind everyone that anyone wishing to use the church facilities for an event of any nature should let us know at least 4 months in advance whenever possible so that the Council has sufficient time to place the request on the agenda for discussion at the next Council meeting.

We take your requests seriously but in many cases there are questions or concerns and we feel as much time in advance as possible increases the chance that resolution occurs with enough lead time for advertising and prep for the requesting people!

Event Request forms can be found in the church office.

Any questions should be directed to Doug Hedlund. Thank you!
