### Sewer Update

We are still waiting for our Letter of Sewer Availability Letter from the Health Department. We aren't able to make firm plans until that is received and our engineer can design our path to B St. When that time comes we'll be embarking on a very large project that will certainly have an enormous effect on our day to day operations as well as our pocketbook. Thank you to those of you who have expressed an interest in contributing to this project... more to follow as we learn more.

Again, we appreciate your patience and understanding during this time.

SLC Council

Thank you to all who took the time to have pictures taken for our new photo church directory.

Time is precious and we do appreciate your participation in this adventure.

If you weren't able to get your photo taken, please make sure you email us a current picture of you and yours, so we can include you as well. If that isn't possible, we might still be able to draw an old picture from the 2013 directory, as long as you were part of that. **Deadline for picture submittals is Sunday, July 14, 2019.**

Thank you, Anne Briehl for navigating, advertising and scheduling and all other tasks in between. Thank you, precious volunteers for being greeters and appointment-takers. We appreciate you!
