

Swim School Newsletter & Re-enrolment Details

Term 4 finishes on Saturday 21st December, 2019

SWIM SCHOOL UPDATES

At last we are experiencing the warm weather we have been waiting for. As we head into the busiest season of the year, I ask that you take time to carefully consider your day and time for Term 1 2020. Please pay close attention to the dates allocated to your swimming day, I have accounted for all public holidays and have decided that a 10 week term for everyone is the most convenient.

Our office will be closed over the Christmas and New Year period. This closure will extend until Term 1 resumes as I travel to Singapore to attend the International Swim Schools Association 2020 conference where I hope to learn a whole range of new and exciting things to bring back to the business. If you do need to get in contact, I ask that you please use our email address to communicate.

We will be running our highly successful intensive program through the January school holidays. If you think your child could benefit from a boost in their capabilities and you would like to book in, chat to a supervisor or email Sarah with your time request. If you are unsure of how this program could benefit your child, let a supervisor or Sarah know, and we would be happy to identify some achievable goals to work towards during this program.

SAFETY WEEK

As your child will be in and around many different aquatic environments over summer, it is vital that they also participate in specific water safety skills. We will operate a water safety week in WEEK 9 so that your child is exposed to different skills. Please dress your child in a t-shirt and shorts OVER their swimmers.

JANUARY INTENSIVE

During the January school holidays, we generally operate for two weeks of private intensive classes. For the upcoming intensive, we will be offering a class option with a maximum of three children in the class for the duration (30 minutes). We hope that by providing this cheaper alternative, more children can access the intensive classes to see some great progress!

JANUARY INTENSIVE

Week 1

Monday 6 Jan - Thursday 9 Jan

Cost

1:1 = \$190 2:1 = \$240 (\$120 p/child)

class of 3:1 = \$285 (\$95 p/child)

Week 2

STAR SWIMMER

Congratulations to Star Swimmer of the term, Amelia Zaky. The Zaky family have been swimming with the academy for as long as I have worked here! A determined young swimmer, Amelia has transitioned from Starfish to Stingray and is thriving in her new class. Keep up the great work over Summer, Amelia!
