

Swim School Newsletter & Re-enrolment Details

Term 1 finishes on Thursday 9th April, 2020

SWIM SCHOOL UPDATES

What an incredible fast start to 2020. It is great to see that so many of our clients took advantage of the beautiful weather over the holiday period - your children have come along in leaps and bounds. It is also wonderful to welcome many new families to our academy over the summer term.

We would like to officially welcome Charlotte and Kate to our fantastic teaching team - both girls have completed their AUSTswim assessments at St George Swim Academy and have gone through rigorous training. If there is anything you feel they need to know about your child's learning, please feel free to chat with them poolside, or via your supervisor. I am also grateful to all families for being patient and understanding during what is a chaotic time sorting out teachers for the semester.

As we prepare for Term 2, please consider what 'winter' activities your children will be participating in so we can plan accordingly. Please notify your supervisor of any change of day requests this week.

PRICE INCREASE

Due to the ongoing increases in rental and running costs, the price of our class lessons will increase to \$20 p/l for **Term 2**. There will be no changes to private lessons. We strive to provide the highest quality lessons to our clients and as such, we pay our staff accordingly to help deliver them. I hope you can appreciate my efforts to try and keep the increase as low as possible, whilst still trying to remain competitive in our industry. Should you, at any time, need to organise a payment arrangement, please contact your supervisor or email Sarah to organise this - we are always happy to help!

ACTIVE KIDS VOUCHERS

Have you used your Active Kids Vouchers yet? If you are a NSW resident with a child age 4.5 - 18 years that is enrolled in school, you are eligible to apply for two active kids vouchers per child, per year. Simply download your vouchers from the Service NSW website and bring it to your supervisor, or email it to Sarah with your child's **date of birth** (DOB) and we will deduct \$100 from your term fees.

APRIL INTENSIVE

During the April school holidays, we will be running our highly successful intensive program. Two of our experienced instructors, Emma and Tiffennie will be teaching for the duration of the program. If you would like us to identify specific goals that we can work towards for your child, please don't hesitate to contact Sarah or speak with your supervisor at your lesson. Please see below for further details relating to timing and prices for the Intensive program.

STAR SWIMMER

Congratulations to Star Swimmer of the term, William Schofield. Participating in the last two intensive programs has seen William transition smoothly from our parent & tot program to our Starfish class in no time. He is now swimming confidently in lessons and requires minimal assistance when paddling down the pool. Great job William!
