

Swim School Newsletter & Re-enrolment Details

Term 2 finishes on Saturday 7th July, 2018

ALL THINGS SWIM SCHOOL

That proper cold weather is well and truly upon us. Never fear though, our pool and pool deck are lovely and warm for both swimmers and parents. If you are considering a second lesson for your child during the winter term, please let us know as we are endeavouring to fill any vacancies before the end of this term.

Swimming twice per week is a great way to speed up progress and is great for winter as our pool is the warmest place you can be! As most of you know, I (Sarah) will be getting married during the upcoming school holidays.

In the lead up, I ask that all communications be via email so I don't lose track in the chaos. Also, that any requests for change of day/time come well before the end of this term as I won't be able to organise any changes to the schedule from the 7th July. I thank you in advance for your understanding and cooperation. Please read over the newsletter for details on the re enrolment process and all things swimming! We look forward to seeing you back for the winter term.

TERM FOCUS

This term our instructors will be focusing on providing feedback to our students at the end of each lap. We would like to see our Stingray & Seahorse students executing their strokes with excellent technique and we hope that the consistent feedback will speed up this process.

RE-ENROLMENT DETAILS

Monday 3rd June - Saturday 9th June, 2018

Please ensure you bring your \$50 deposit to your lesson during this week or pay online before hand

All current clients **MUST** enrol during this time to secure your spot for Term 3 2018.

Unfortunately if a deposit is not paid during this week, places **WILL** be forfeited.

A reminder that balances MUST be paid in Week 10 of Term 2 (2 Jul - 7 Jul)

WINTER PROGRESS

Are you thinking of taking a break because of cooler weather? We strongly urge you to re consider. Why?

Well, you are not likely to go for a leisurely swim during winter are you? For this reason, we recommend that if you need to take a break, consider taking it in the summertime when you are likely to swim outside of lessons and can maintain progress. Taking a break during winter means it can take up to half a term to return to the level they were at before they stopped swimming. Until your child can swim 25m proficiently, we recommend year round swimming to ensure they can continue to progress at the fastest rate to become water safe.

Winter is the perfect time to continue your child's progress and be ready for the upcoming summer. Lots of hard work has already been done this year, so keep it up and the results will show come summertime.

TERM 2 DATES & PRICES

MONDAY	23 Jul - 24 Sep	\$170
TUESDAY	24 Jul - 25 Sep	\$170
WEDNESDAY	25 Jul - 26 Sep	\$170
THURSDAY	26 Jul - 27 Sep	\$170
FRIDAY	27 Jul - 28 Sep	\$170
SATURDAY	28 Jul - 29 Sep	\$170

PRICE INCREASE ALERT

Due to a significant increase in rental and running costs, the price of our class lessons will increase to \$18.5 p/l from **Term 4**. Private lessons will remain at \$48 p/l. I hope you can appreciate my efforts to try and keep the increase as low as possible whilst still trying to remain competitive in our industry. Should you, at any time, need to organise a payment arrangement, please contact your supervisor or email Sarah to organise this - we are always happy to help!!

STAR SWIMMER

Congratulations to the Star Swimmer of this term, PJ Besters. PJ attended our April Intensive program and was able to transition from our Starfish class to Stingray in just four days! Keep up the hard work, PJ.
