

Swim School Newsletter & Re-enrolment Details

Term 3 finishes on Saturday 29th September, 2018

IMPORTANT MESSAGES

It is great to see the sun shining lately as the weather starts to warm up! Well done to those swimmers who kept up their lessons during the dark and cold winter months. You will definitely see the benefits of continuous swimming heading into the spring months. As we move into Term 4, now is a great time to be thinking about any changes to your schedule that will occur with the start of summer sports.

Reminder; children are ***not permitted to enter the water before their lesson time.*** Please do not send your child onto the steps or ramp until the teacher has moved back to begin the class. We pride ourselves on offering lessons with minimal distractions and having an extra 8 children in the pool makes for a very noisy environment! Thank you for assisting our teachers and supervisors with this.

Make up lessons are strictly for lessons missed due to sickness with medical certificate. Please follow up with Sarah or the supervisor to organise these.

OCTOBER INTENSIVE

School holidays is the perfect time to attend one of our intensive programs to fast track improvement. The success of our holiday intensive courses and the progress students achieve continually amazes me.

This is due to the nature of the private lessons, the optimal learning environment and the tailored individual program that is designed for each child. All of this achieved whilst they are having fun, growing in confidence and feeling very proud of themselves!

This program is designed to achieve progress that can be equivalent of up to one term in just 4 days! This is achievable through the individual attention of the 1 on 1 or 2 on 1 along with the repetitive practise on consecutive days that allows your child to remember and process the skills.

We are now seeking interest in this program. Please see blue box to the left for more details!

PRICE INCREASE ALERT

Due to a significant increase in rental and running costs, the price of our class lessons will increase to \$18.5 p/l for **Term 4**. Private lessons will remain at \$48 p/l. I hope you can appreciate my efforts to try and keep the increase as low as possible whilst still trying to remain competitive in our industry. STAR SWIMMER

Congratulations to the Star Swimmer of this term, Aydan Bach. Aydan swims twice per week with us and has improved out of sight! He is always happy to be in the pool and loves to try his best at all times.

Well done Aydan!
