

Swim School Newsletter & Re-enrolment Details

Term 4 finishes on Saturday 22nd December, 2018

SWIM SCHOOL UPDATES

Welcome to the crazy part of the year where the sun is finally shining and everything is wrapping up for the year. Enrolment details for Term 1 2019 are included in this edition of our newsletter so please consider carefully, any changes to your routine for next year i.e. starting kindergarten.

Our office will be closed over the Christmas and New Year period. This closure will extend until Term 1 resumes as Sarah will be travelling overseas. Senior Team Member, Valerie, will be checking voicemails for any urgent matters, please use email as your communication method for this time of the year.

SUPERVISION ON POOLDECK

A timely reminder that the supervisor working in the office does not act as a lifeguard during their shift. We would ask that all parents are vigilant with supervision during their child's lesson. Your child will be all the more pleased to know you're watching and supporting them in their lesson.

JANUARY INTENSIVE CLASSES

As we do not have any regular lessons over summer we recommend everyone participates in a minimum of one 4 day program in January. This will allow significant improvement as it is likely to be reinforced with additional family recreation swims over the hot summer months, where your child will continue to experiment with their swimming skills during leisurely swims.

RE-ENROLMENT DETAILS

Monday 12th Nov - Saturday 19th Nov

Please ensure you bring your \$50 deposit to your lesson during this week or pay online before hand

All current clients **MUST** enrol during this time to secure your spot for Term 1 2019

Unfortunately if a deposit is not paid during this week, places **WILL** be forfeited.

Please try to finalise your balances over the December/January holiday break.

SAFETY WEEK

Monday 17 Dec - Saturday 22 Dec

As your child will be in and around many different aquatic environments over summer it is vital that they also participate in specific water safety skills. We will operate a water safety week in **Week 10** so that your child is exposed to different skills. Please dress your child in a t-shirt and shorts **OVER** their swimmers.

COMMUNICATIONS

We would like to make you aware that our supervisors are always keen to chat with you regarding your child's progress or answer any swimming questions you may have. Our great team of teachers communicate constantly with Sarah about our students and we all work as one big team to ensure we can continue delivering a great program.
