

Swim School Newsletter & Re-enrolment Details

Term 3 finishes Monday 23rd, Tuesday 24th, Wednesday 25th & Thursday 26th September

Friday & Saturday clients will finish on 4th & 5th October respectively

SWIM SCHOOL UPDATES

Congratulations to all those families who battled a winter that was full of nasty coughs and colds - despite the various ailments being spread around, we had our busiest winter yet. Attendance through the winter is at an all time high. Be sure to collect your reward stamps when you attend your lesson to be in the running to win back the cost of 10 lessons!

As the warmer weather approaches, it's time to think about re-enrolments for Term 4. We will be running our highly successful intensive program through the October school holidays. If you think your child could benefit from a boost before the summer and you would like to book in, chat to a supervisor or email Sarah with your time request.

If you are unsure of how this program could benefit your child, let a supervisor or Sarah know, and we would be happy to identify some achievable goals to work towards during this program.

LEARN 2 SWIM WEEK

It's that time of the year when we all start to think about that great Aussie pastime - swimming! Little kids are drawn to the water like magnets, which is why it is so important that we start teaching them lifesaving water skills early. We are excited to be partnering with Learn2Swim week to offer a free introductory lesson for all under-fives in our area. Childhood drownings have a devastating impact on families and whole communities, so if you have a child under five who has not had swimming lessons, we encourage you to give us a call or visit <http://learn2swimweek.com/> to find out more & sign up

OCTOBER INTENSIVE

limited places available, REGISTER NOW

Week 1 | Monday 30 Sep - Thursday 3 Oct

approx 8am - 11:30am

Cost | 1:1 = \$190 2:1 = \$240 (\$120 p/child)

AIR QUALITY IMPROVEMENTS

During the July school holidays, the air conditioning unit was replaced. As a result, the air temperature around the pool is kept more constant, but we have the flexibility to adjust the temperature according to the weather. This also means there should be no more sweltering around the pool during Summer! As you enter the facility, there shouldn't be that 'chlorine' scent anymore which makes it much more enjoyable to be pool side watching your children swim!

ACTIVE KIDS VOUCHERS

Have you used your Active Kids Vouchers yet? If you are a NSW resident with a child age 4.5 - 18 years that is enrolled in school, you are eligible to apply for two active kids vouchers per child. Simply download your vouchers from the Service NSW website and bring it to your supervisor or email it to Sarah with your child's Date Of Birth (DOB) and we will deduct \$100 from your term fees.

Check in at your swimming lessons and don't forget to tag us!

STAR SWIMMER

Congratulations to Star Swimmer of this term, Chloe Meres-Wastell. Chloe has been working tremendously hard to improve her Freestyle & Backstroke, attending two lessons per week through the winter months. Chloe tries hard in every lesson she attends and strives to achieve perfect technique in every lap. Keep up the fantastic work!
