

Paddle for Life

Paddle for Life's goal is to train amateur athletes for dragon boat competitions and to run races where they can participate. The all-inclusive sport of dragon boating is a great way for family, friends, and co-workers to experience a fun and unique sport while fundraising. The profits from each event are donated to local charities which are chosen by the PFL Board of Directors with input from local paddling clubs in the community. This year's event is benefitting Clark County Veterans Assistance Center.
