INVESTMENT HIGHLIGHTS

Highly-Improved “Turn-Key” Restaurant and Brewery Opportunity - Owner/ User or Investment

- **Own versus Lease** – take advantage of historically low interest rate owner/user financing, the after tax benefits of ownership, and equity appreciation (see page 16 for **Financing and Own vs. Lease scenarios**)
- Purchase as an investor and capitalize on the fully improved “turn-key” restaurant and brewery improvements by leasing the property
- The building’s configuration, location and high-quality improvements are well suited for a full-service restaurant, bar and brewery with its **extensive tenant improvements, micro-brewery system, fully equipped kitchen including BBQ/smoking and pizza oven stations, and outdoor patio area**
- **All improvements and FF&E are included** (estimated **+\$4 million**) in the sale, minimizing a restaurant user’s timing and capital expenditures in preparing the building for occupancy
- At the contemplated pricing, this fully-improved restaurant and brewery opportunity is being sold at a **significant discount to its land and equipment inclusive replacement cost**
