STONE ON THE WAY TO  
PERSONAL IMPROVEMENT AND  
ENLIGHTENMENT

### LEADER BACKGROUND

Cathy is an accomplished intuitive experienced in palmistry-revealing what your hands contain: the physical, emotional, and mental picture of the **real you**.

She is a BA Magna cum Laude graduate of Rutgers University, a licensed Unity teacher, a 2-year trained spiritual care counselor at Stanford Hospital as well as a world traveler studying mysticism and indigenous cultures.

Her studies over the past 25 years as well as personal visits to holy sites worldwide and experiences with indigenous peoples including the Aborigines in Australia and Maoris of New Zealand give her extensive insight into the many ways spiritual encounters and investigations enhance, energize, and clarify life experiences while providing substantial and needed guidance as we navigate life's many opportunities.
