

SILVER LINING BUSINESS FUNDS INC.

BASIC APPLICATION AND DOCUMENTS REQUIRED

Each business is unique as well as there are different types of funding.

This is a basic application to get to know your business a little and get to know what type of funding would best help you accomplish what you want for your business. Depending on what you are looking for, you might be required to supply a bit more information and more documents, but for many funding programs, this is all that would be required for your submission.

This will give you a sense of how minimal stress it can be.

A Business consultant will get back with you to discuss the best solution for your financial needs to help your business grow and succeed.
