

Taylor Garden Club
Jeanne Eckert \$1000 Scholarship
For Michigan Residents Attending Michigan Institutions

Our scholarship is open to students following a career path in
Agriculture, Horticulture, Organic Gardening, Botany,
Environmental Studies, Landscape Design or Conservation

Taylor Garden Club was founded in 1990 and is a member of Michigan Garden Clubs & National Garden Clubs, Inc. Throughout the years members have dedicated many hours of service to improve the greening of the City of Taylor.

In an effort to continue the legacy of the club and to honor the first president of TGC, we offer the Jeanne Eckert Scholarship in the amount of \$1000 to a college student or graduating high school senior. This money is to be used for college expenses. The scholarship check will be made out to the school of attendance.

With the application, please include:

- A letter from an unrelated responsible adult vouching for the applicant's character
- A letter from your science instructor or professor
- A one page personal mission statement including how this will further your education and your achievements or activities in this subject or field.
