RETURN PROCEDURES

- Check in all product at time of delivery for accuracy and quality with driver. If there are any issues noticed at time of delivery the driver is responsible to bring back the correct product the same day. Please document on paperwork and make sure to sign for each delivery.
- If issues are determined after the driver leave's please call office at 813-237-1600 or salesman within **24 hours after delivery**. Product will be replaced same day or delivered within 24 hours.
- A credit memo will be issued towards the original invoice *once product returns to our facility*.
- A new invoice will be issued for new product delivered and must be signed for upon delivery.
