MARTIN CARES

CITIZENS ACADEMY AND RESOURCE EDUCATION SERIES

The Martin County Board of County Commissioners is pleased to invite you to participate in an exciting, innovative program designed to give residents an insider's look into Martin County government. It is called Martin CARES, the Citizens Academy and Resource Education Series.

This popular, long running program has been invigorated with a new twist. Sessions focus on themes including Martin County 101; Planes, Drains and Automobiles; Meet our Everyday Heroes; Improving and Informing our Communities; and Explore our Paradise and Beyond. Participants will hear interactive presentations from various County departments and enjoy unique field trips. Visit the water treatment plant, ride the runway at the airport, watch 911 dispatchers in action, tour historic treasures, explore parks and get an up close look at a water quality project. Not a bad way to spend the day!

The goal is to familiarize residents with the function and purpose of Martin County government, thus increasing citizen awareness of the variety of services offered by local government. Through Martin CARES, participants will personally get to know the men and women who oversee the day-to-day operation of the departments that provide key services such as roads, water and sewer service, parks, emergency medical services and law enforcement. Upon completion of the program, participants will have first-hand knowledge of the structure and function of County government and can share that information with friends and neighbors.

Each "class" is comprised of approximately 50 citizens (spouses welcome) participating in a series of sessions held once a week over a five-week period. Classes begin at 8:00 am and conclude following a "working" lunch. There is no

Last day of class: Debi and Dick Bogle, and Guy Masson.

charge to participate in this program and meals will be provided. Air-conditioned coach transportation is provided for adventures in the field.

Two sessions are held each fiscal year. Editor Libby is signed up for the second session beginning February 22. Classes will start up again in January 2019. This program has been named by Stuart Magazine as a New Year's Bucket List "must-do!"

DIRECTOR'S CORNER

All residents – please remember that you are bound by certain restrictions in your Covenants and by-laws about doing anything outside to your property or home. You agreed to this when you bought your home in Cambridge when you were interviewed by office personal just before your closing or after you purchased.

Prior to doing anything to the outside of your property, contact the Board of Directors first. At that time you will receive a form to fill out indicating what type of work is to be done. For sections 2 and 3, you will be given the paint codes approved by the association to paint your house. If you deviate from the approved colors you will subject to fines of \$100.00 dollars a day, up to \$5000.00 dollars. Section 1 is not restricted to house paint color or mailbox choices.

Please PICK UP AFTER YOUR DOG! There is a lot of dog waste that is not being picked up along Constitution Blvd. That is part of the responsibility of owning a dog.

ENTERTAINMENT**DIRECTOR'S REPORT**

The February Dinner Dance was a great success. People really enjoyed the potluck. There was a large variety of delicious food. The band, Permanent Affair, kept the dance floor pretty crowded.

Please note that the March dinner dance will move to the 24th to accommodate Big T's schedule. An authentic Irish meal of corned beef, potatoes, cabbage, soda bread and trifle will be offered.

Also note that due to Easter Sunday, the April breakfast will be held on the second Sunday, April 8.

Upcoming events: Sunday morning breakfast is March 4th. March 10th is the annual fashion show. March 14th there will be a scavenger hunt organized by Libby Jensen who also organized the very successful trivia night in January. Later in the year, we are also going to have a party for residents and their dogs. Finally, there has been a request for a yoga class. So, if you are interested in leading (or participating), let me know.

Nothing gets done in the entertainment arena without lots of volunteers. When you come to a community event, please give a personal thanks to the many people who help out. You will also begin seeing some fresh faces. Carol Stuart has kindly pitched in to organize our "new" volunteers. She'll be calling and also taking names.

Come and see my daughter Stephanie's presentation on wonderful Holland America Cruise Lines and sign up for a prize or two. March 6th at 2:00pm at the Clubhouse.

DON'T MISS THE FUN! Leslie Hanlon

MARCH NEIGHBORHOOD CRIME WATCH

Please come to the Martin County Sheriff's Department cook out on March 7th in Zeus Park, Hobe Sound. It was a huge success last year and I'm sure it will be this year.

Here's also hoping that you attended the February 21st board meeting to meet with our Sherriff's department. They always have exciting, important news to pass on.

I've received two notices from FPL Energy Services warning me about costly water system failures. It looked somewhat official, but it dawned on me that FPL has nothing to do with water as that is an SMRU responsibility. In looking at it closer I realized that this was a 'Insurance' pitch. If you get one of these letters don't let the 'FPL' throw you. I can't say that this is a real scam unless someone buys the insurance and has a difficult time getting them to pay up.

Stay safe
Joe Chippari

WELCOME!

MEET OUR NEW NEIGHBORS!

Charles Mullins, 8103 SE Patriot

Mike McCollum, 7565 SE Independence, had lived in Stuart for 4 years, and is formerly from Michigan. Stuart got too busy for him; he prefers the lifestyle of Cambridge. Mike is a competitive sporting clays shooter.

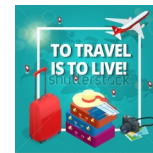

John and Cindy Levy, 7476 SE Independence, are originally from CT, but lived in Palm Beach Gardens for 24 years. They enjoy the peacefulness of Cambridge. John is a retired police officer; Cindy is a retired nurse and teacher. They are both licensed private investigators and ham radio operators. John is an avid outdoorsman, Cindy enjoys crafts and reading.

Tom and Pam Bieber, 7415 Independence, hail from New York, where they still have a pottery business. They vacationed in this area for a few years before deciding to look for a more permanent location. They are very happy to be living in Cambridge. They also enjoy boating.

Bill Postlethwait, 8061 Homestead, first came to Hobe Sound to visit a friend of the family. He is from Warren, PA. He lived in Hobe Sound for 8 years before moving to Cambridge. He enjoys fixing homes and loves spending the summer at the Kinzua Dam in PA in his houseboat.

Rick Gagnon, 7725 Independence, first came to Jupiter from Maine. He loved exploring the area and particularly liked the intercoastal and the laid back atmosphere of our surroundings. He is an avid boater.

Claudia Lanigan, 7731 Shenandoah, is a native Floridian. She had been living in Hobe Sound for 10 years prior to moving to Cambridge. She is happy here because she can have her 2 dogs with her. She is still working full time and loves working in her garden.

SECOND ANNUAL CAMBRIDGE SCAVENGER HUNT! WEDNESDAY, MARCH 14, 5PM

We had so much fun the last time, we're doing it again! And yes, this will also be a photo scavenger hunt - meaning you and your team will be out scouring the local streets to find the items on the list and then taking a team photo with those items. Teams of 4 - one person will drive. Phone with camera necessary. Potluck and BYOB. We will eat after the hunt. Paper products will be supplied, bring your own glass. RSVP by March 13 to Libby at 978-478-8591 (call or text) or libbjensen11@gmail.com. Come join in the fun!

SMOKING VS NO SMOKING

A new petition will be circulating in Cambridge to ban smoking at the pool. Overwhelming support for a ban was evident at the February Board meeting from the many homeowners in attendance. In order to have a revote we need signatures from at least 2/3 of homeowners (one signature per household), so even if you don't go to the pool please vote considering the rights of the folks who go for exercise and socializing in a healthy environment.

We really need your participation!

ANNUAL FLEA MARKET

Linda and Ernie Neeld express their sincerest appreciation and thanks to the many, many people who helped to make this year's Flea Market a success. Tentative proceeds as follows:

Bake Sale: \$261.16
Snack Bar: \$346.96
Raffle basket: \$1,187
White Elephant: \$1,653
Rental tables: \$416
Grand total: \$3,864.12

Volunteers are always needed and appreciated. This is an excellent way to meet your neighbors and help the community. Please call Carol Stuart at 772-932-7526 or sign up at Clubhouse on the wall outside the office.

If you helped out in some way and you are not listed, my apologies. Let me know and I will include you next month!

One of the best things about our community is the help of volunteers to do the many things that need to be done here. I would like to start using this space to give a shout out "Thank You" to anyone who has helped to make Cambridge a better place. I need YOUR help to make this happen - please let me know when you see/know of someone who deserves to be thanked.
