

CAMBRIDGE AT HERITAGE RIDGE SOUTH

OFFICIAL PUBLICATION OF HERITAGE RIDGE SOUTH PROPERTY OWNERS ASSOCIATION

APRIL 2018

RECYCLING FACTS

Recycling. Not a glamorous topic, but an important one nonetheless. The average person generates over 3 pounds of recyclable waste per day. But only about 1 pound of it actually gets recycled. The rest ends up in landfills. Please do your part to help conserve our precious natural resources by reducing the amount of waste that goes into your trash. Many items should not be thrown in the trash, but cannot be recycled either (see page 5).

Interesting facts about Recycling

Fact 1: Recycling is a process to create new items from old and used materials. This helps in reducing energy and potentially useful materials from being wasted.

Fact 2: Pizza boxes can be recycled if they are clean – if they are greasy, rip the top off and throw the bottom out.

Fact 3: Aluminum cans can be recycled and put back onto the shelf at your local grocery store in just about 2 months.

Fact 4: Recycling an aluminum can help to save a great deal of energy - it can run your home television for about 3 hours!

Fact 5: If you throw away your aluminum cans, they can stay in that can form for up to 500 years or more. Please recycle!!

Fact 6: Half a million trees have to be cut down just to produce the Sunday newspapers each week.

Fact 7: Most people in America use at least seven trees each year, through wood, paper and other types of products that use trees. That is over 2 trillion trees throughout the course of the year.

Fact 8: 2000 pounds of recycled paper can actually help to save 17 trees, over 350 gallons of oil, and a lot of landfill space. That also means less air pollution!

Fact 9: Americans will use over 2 and a half million plastic bottles every thirty minutes, and most of them are simply thrown away rather than recycled.

Fact 10: Plastic bags that are thrown into the ocean kill over a million sea creatures a year.

Fact 11: Over 25 trillion Styrofoam coffee cups are thrown away each year, just by Americans!

Fact 12: A modern glass bottle could take over 4000 years to actually decompose, and if it is in the landfill then it will probably take even longer than that.

Fact 13: Most dumps are made up of a third of packaging materials that could be recycled.

Fact 14: The most thrown away products in American include pens, razor blades, tires and aluminum- all of which can be used to be recycled into other products.

Fact 15: Due to the fact that people aren't recycling as much as they should, the rainforests are actually being cut down by about 100 acres a minute.

Fact 16: Most people produce 4.4 pounds of trash per day that results in about 1.5 tons of solid waste per year.

Fact 17: The amount of wood and paper that are thrown out each year is enough to heat 50,000,000 homes for 20 years.

Fact 18: Recycling one ton of plastic can save up to 1,000–2,000 gallons of gasoline.

Fact 19: Recycling one glass bottle saves enough energy to power a 100-watt bulb for four hours.

Fact 20: One drip per second from a leaky faucet wastes 5 gallons of water a day or 2,082 gallons per year .

It is clear that people need to do their part, especially if they want to work toward a sustainable planet that will be around for many more years to come. It is clear that we aren't doing enough to take care of the planet, which is why we really need to learn more about recycling.

C-BREEZE DEADLINE IS ASAP

I start work on the next C-Breeze as soon as the preceding month is submitted. All material is subject to editing for content, grammar and spelling. I will not pick up info at the Clubhouse. Please email your info to libbyjensen11@gmail.com. Thank you.

Info here is from sources considered reliable. Accuracy cannot be guaranteed. All humorous stories and jokes are intended for entertainment purposes only. Ads appearing in this paper are not to be considered as an endorsement or validation by the C-Breeze.

PRESIDENT'S CORNER

Our association has a 55+ age restriction. The board continuously battles with homeowners who allow someone under the age of 55 to live here - family or not. It is against the Covenants/Bylaws and it could cost you, the homeowner, a hefty fine and possibly a lien on your property. Neighbors are always watching and do call the office to report anything that's not right. If you are thinking about having someone move in - DON'T.

Yearly assessments were supposed to be paid by January 31. Some people pay late and are required to pay the late fee and interest. And then there are some people who don't pay, and ignore the mailings the association sends them. Notice to homeowners who have not paid - I have started the lien and foreclosure on your property. The next mailing you receive will be from our attorney.

When you sell your home, the key cards/fobs are to be left behind, as they are transferred over to the new owner. There are a lot of new owners who are having to buy new key fobs for \$15.00. Thanks.

Bob Souza
President

Make sure you read the May C-Breeze. I will be sharing resources that can be of great interest and value to you - especially during hurricane season.

MONTHLY BOARD OF DIRECTORS' MEETING

Wednesday, April 18
7:00 p.m. at the Clubhouse

All are welcome to attend to find out what is happening in our community.

ENTERTAINMENT

DIRECTOR'S REPORT

The March dinner was a smashing success, if I do say so myself.

We had lots of help, all day Friday and Saturday there was Donna and Tony Lupinacci and Carol and Brownie Stuart, along with others who spent parts of the days with us. Everyone was indispensable. We served an authentic Irish dinner. Big T was bodacious. A good time was had by all.

Breakfast in April will be the Sunday after Easter, the 8th.

The next (and last of the season) dinner dance will be April 21st, a spaghetti dinner by Maggie and dancing to the music of "Ants in His Pants." Tickets are \$15.

Nelson Pole

Robert and Carol Duman, 7880 Shendoah, are from Michigan. Their daughter and her family live in Tequesta. They had been looking for a retirement home, and their daughter suggested they look in Hobe Sound. Robert is retired, and Carol is a HR manager for a software company. Carol loves to golf and scrapbook, Robert golfs when he can.

of a friend or neighbor who is hospitalized or very ill at home
so a card can be sent. Our thoughtfulness may help cheer
them during their illness.

Condolences

Jose Dominguez

*Thanks to my wonderful neighbors for their help after my auto acci-
dent- the many dinners, rides, groceries, cards, etc. are so appreciat-
ed. I was pretty helpless for a while and don't know what I would've
done without you and my church family. Bless you all. Maureen*

LUNCH BUNCH

On Tuesday, April 10th, we will be going to Taste at 11750 SE
Dixie Highway, Hobe Sound. Lunch is at 11:30. For reserva-
tions, please call with your name and the names of the peo-
ple in your party to Alice Pecoraro (772) 245-8728 or Gail
Steinhice (772)932-7339 by March 11th.

BRIDGE CLUB

The Cambridge Bridge Club meets Mondays at 1pm. For
more info contact Marj Drew at 546-6023 or Maureen Dal-
ton at 546-5757.

BLOOD PRESSURE CLINIC

The blood pressure clinic is available on Wednesdays, from
10 to 11:30am in the clubhouse.

Weed killers	

Household Hazardous Waste Disposal Center:

9155 Busch Street, Palm City, Florida, 34990

Hours of Operation:

Monday through Friday: 8:00am-5:00pm, Saturday: 8:00am-noon - Closed Sundays and legal holidays.

Everglades trip

CAMBRIDGE FASHION SHOW

The 28th annual Fashion Show, *By the Sea*, was a great success this year. The decorations were beautiful, the menu was delicious, the models were lovely, and a great time was had by all. We raised \$2,984 for our charities - the Hobe Sound Blessings in a Backpack Program and Vets Helping Heroes located in Boca Raton. Approximately 40 members of our community worked together to make this event the success that it was. Many, many thanks to everyone!!

Next year's fashion show will be held on Saturday, March 23. We will need a new chairperson, as well as other help. Come join us at our first planning meeting in January 2019!

A couple had been married for more than 60 years. They had shared everything. They had talked about everything. They had kept no secrets from each other, except that the little old woman had a shoe box in the top of her closet that she had cautioned her husband never to open or ask her about.

For all of these years, he had never thought about the box, but one day, the little old woman got very sick and the doctor said she would not recover. In trying to sort out their affairs, the little old man took down the shoe box and took it to his wife's bedside.

She agreed that it was time that he should know what was in the box. When he opened it, he found two crocheted dolls and a stack of money totaling \$95,000.

He asked her about the contents. "When we were to be married," she said, "my grandmother told me the secret of a happy marriage was to never argue. She told me that if I ever got angry with you, I should just keep quiet and crochet a doll."

The little old man was so moved; he had to fight back tears. Only two precious dolls were in the box. She had only been angry with him two times in all those years of living and loving. He almost burst with happiness.

"Honey," he said, "that explains the dolls, but what about all of this money? Where did it come from?"

"Oh," she said. "That's the money I made from selling the dolls."
