Yachts

YOUR LOCATION IS THE SINGLE MOST IMPORTANT POINT OF YOUR ENTIRE VACATION

YOU can relax on a private yacht & travel at your own pace, pampered all the way, for much less than what you end up paying for a crowded cruise ship, private yacht charters are becoming increasingly popular for intimate & flexible vacations. & most yacht charters are just as attentive to you needs as any cruise ship.

The private yacht charter allows you the freedom to spontaneously change your mind & stay an extra night at your favorite island or to explore an uninhabited island close by.

Pick a calm, protected location with many islands all within sight, with many gorgeous lagoon anchorages.

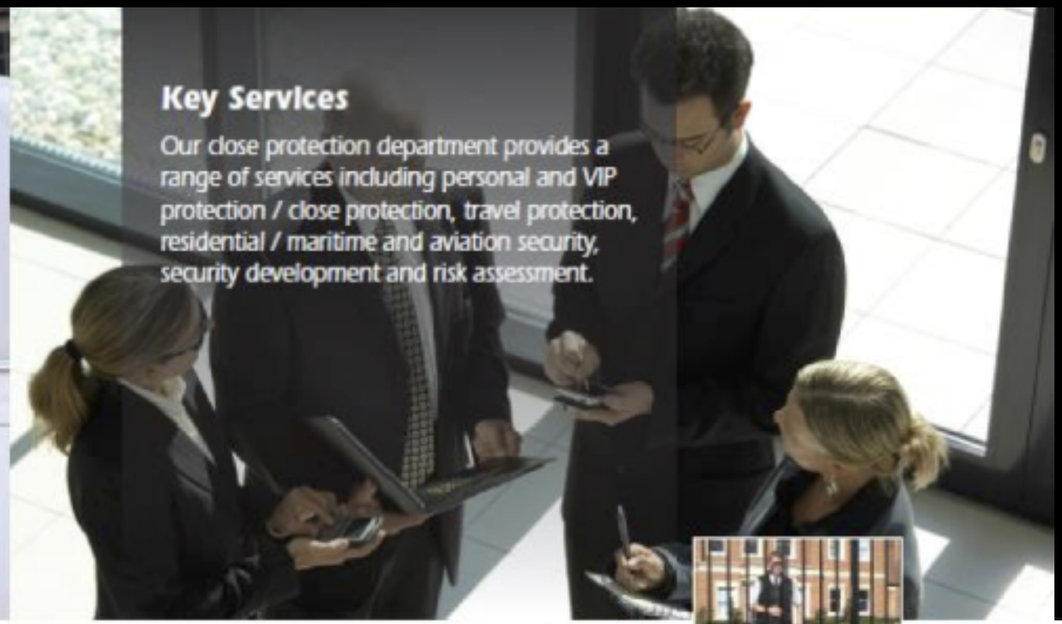
From armoured windows and doors to a full provision safe room.

Secure asset transportation: In today's society the need for high valued goods and assets requiring protection has been heightened, in large due to the height in sophisticated and organised crime,using qualified Protection officers and security drivers

Corporations and high profile individuals face an ever-increasing threat from terrorists, criminals, racists and the mentally unstable.

When a situation such as kidnapping, assassination, blackmail, industrial espionage and publicity arises, the need for Close Protection is paramount. Close Protection operations are often of an extremely sensitive nature. More people than ever before now live a high profile lifestyle, enjoy hard-earned business success or find themselves in the public spotlight.



Key Services

Our close protection department provides a range of services including personal and VIP protection / close protection, travel protection, residential / maritime and aviation security, security development and risk assessment.

They are more vulnerable than ever before, attracting the wrong kind of attention from stalkers, intrusive media and criminal elements. Every time they step outside the door alone they are easy prey – wherever they are, wherever they go.

Our Close Protection officers (Bodyguards) are individuals who work as a team, it is through effective teamwork and continual in-house training that operational objectives are achieved and clients' expectations are exceeded, utilizing both male and female officers who are highly trained and dedicated in this specialised area.

Today, it is sad reality that more executives are being kidnapped for extortion. There are various categories that come under the heading of extortion, such as, a ransom demand to ensure the release of the kidnapped hostage or the demand for money to prevent the destruction of a company's assets. We provide a bespoke service for any situation.

- When a top executive requires permanent protection.
- Has an executive travelling overseas to a vulnerable area.
- When entertaining an overseas visitor.
- When the orderly conduct or privacy of gatherings such as shareholder meetings, conferences and private functions has to be secured.
