

Training Head Start Program

Are you busy with work, family, life? Want a well-trained dog and polite household companion but don't know where you'll find the time for classes or private training? Then our Head Start Program is for you.

We train your dog during daycare or boarding. Then we teach your dog to do his new "tricks" for you, too. Simple as that. You can pick up your dog from Our Family Pet Sitting with better behavior without doing a thing.

At Better Behavior Dog Training we don't believe dog owners should have to be dog *trainers*, too.

Group Dog Training Classes

Looking for something fun to do with Fido and the family? Want a well-mannered dog from the bargain? Take a class with us!

All classes are "Open Enrollment" which means you can start right after you sign up. **No need to wait!**

Surviving Puppyhood- \$150

Saturday mornings at 11am

Our class goes beyond the obedience basics. We help solve the problems that drive puppy owners crazy—house soiling, chewing, barking, and jumping. And we set your pup up to become a model citizen, a grown dog who is good with other dogs and people in your home and out in the world.

Real World Manners-\$150

Saturday afternoons at 12:30pm

If you want a dog who can handle real life, join us for Real World Manners. We teach basic obedience skills and then apply them to your everyday life. Imagine a dog who sits to greet new people, who runs to lay down on her bed when the doorbell rings, who lies quietly while you entertain friends, who walks confidently and calmly by your side through the neighborhood. Sound good? We'll see you there!
