Every guest will have their own assigned space including a Kuranda bed, blanket, water and bin for their personal belongings. They are encouraged to run, socialize and play in a supervised pack for most of the day. We wind down around 9pm and someone is on site 24-hours even while our friends are resting. Our Friends will be kenneled at nighttime, so they obtain the appropriate amount of rest after a busy day of playing with their friends.

How are we different?

Our Family Pet Sitting, LLC cares for each fur friend like they are our own. We run in groups outside, play ball, have indoor toys & activities, cuddle, watch movies **and when time allows**, we play dress up ... just like pre-school.

We play & learn ...

We swim ...

Most importantly ...

We provide **Our Family L♥VE**

What to bring:

- Leash **with name on it**
- Food with feeding instructions
- Medications with clear instructions
- Treats (only for pups with allergies)
- **Optional** – **although discouraged**, you may bring toys & blankets from home with the understanding that they MAY get lost, damaged or not returned.
