MALTS:

Two-Row, Crystal 10, Munich

This IPA introduces your mouth to a citrus piney grapefruit taste. Georgia Hooch is the epitome of being in the beautiful and scenic back woods of the great State of Georgia. We just happen to capture it in a container. When this liquid hits your taste buds all 6 hops used in the ingredients explode into the aforementioned flavors and linger for a while thanks to the very limited malt used to cut the flavor of the hops.

Pairs well with lemon pepper wings or spicy seafood.

AVAILABLE FORMATS:
