Pomegranate Wheat Ale

MALTS:

An American wheat ale with subtle hop bitterness and a tart crisp dry finish. Not to be confused with a sour Lambic, T-Pom is a refreshing standalone beer. It can also be used as an ingredient to a mixed drink like a sangria, margarita, cocktail, or etcetera.

Pairs well with a light seasonal salad, like a grilled chicken salad topped with diced apples, pecans, and brie cheese. Or with any berry based sorbet.
