LICENSING NOTES

Members are reminded that under Club Rule 14, all users of the Club should present their proof of membership or guest receipt to any authorised person if requested. During the course of a recent inspection by the City Council we were informed that some clubs are allowing non members to use club facilities . This club was asked to carry out regular inspections, which we have. We would ask members to ensure that they carry their membership cards/door cards with them as we anticipate this being a continuing issue with the licensing department. Please also ensure that your guests receive a signing in receipt at all times as the club will be fined if unauthorised persons use the facilities. **Apart from the legal position, the committee would be rightly criticised if it allowed the club to be used by anyone who was not a member, or who had not paid a guest charge. This would undermine the value of membership for those who have paid.** The committee are sure that all members would agree with this.

CLUB INFORMATION

The Club Committee

Your Club is managed by an Executive Committee made up of members who are answerable to the club members. The Committee meets at least once a month and all members may make any representation to the committee by addressing this to the Club Secretary, in writing no later than seven days before each meeting. A member may of course raise a matter with, or make suggestions, to any Committee Member at any time **but please show courtesy and discretion** if discussing confidential club business in the club.

HOW TO JOIN THE CLUB

To become a member you must complete an application form and be sponsored by an existing member. If you are new to the area or do not know a member then please call in, sign in as a guest and take a look around. The staff will introduce you to members who may then wish to propose you. Applications must be made on the form and the application fee paid. Processing will take at least 7 days and you will be asked to attend an informal interview before your membership is ratified. There is no joining fee and annual membership will cost no more than £24. **Please ensure that you read the Club Rules before applying for membership.**

LICENCES, PERMITS AND OPENING HOURS

The Club holds a Club Premises Certificate issued by Portsmouth City Council **10/02451/LACPC.**

The club also holds a Club Gaming Permit

12/03888/GACGP

Which allows the club to offer higher value poker and other games as defined.

Both permits are on display at all times.

Maximum opening time to 1.00 am is permitted by the Premises Certificate but may be reduced by the Committee.

CLUB TO REDUCE PRICES!

This club's policy in respect of prices is that we are constantly seeking competitive suppliers and always pass on the benefit to our members. It has also been our aim to re-establish the position, which used to exist, whereby members of a club enjoyed better value than the public house customers.

This has been difficult in recent years because of the Club's own financial position and the very cheap prices being offered by the national pub operators.

Following the recent refinancing proposals; our ambitious plans for the future and, as a result of the improvement in the Club's profits in the past two years, progress can now be made towards that objective.

Because major suppliers want to be associated with the only Conservative Club In Portsmouth, we have negotiated very good terms with them and these benefits will be passed on in full to our members during October. Some of the reductions will be radical, so look out for these soon !

RE FURBISHMENT

The planned refurbishment of the ground floor is scheduled to start on Monday 9th January 2017.

We will work with the contractors to ensure that the upper bar remains open with alternative access being provided as work allows.

Should there be any restrictions to services we shall maintain a notice board outside the front of the building and all details will be posted on the club website. Members are asked to call the club at any time for updates.

Naturally, work of this scale will be inconvenient but members will be aware of the long term benefits for the club. The ground floor will reopen on Friday 3rd March. 2017.

A NEW LOOK FOR A NEW ERA !

Your professional club staff are seen here with their new designer Club Evening Wear with the new club name embroidered in blue on the white blouses.

No jeans and tee shirts behind this club's bar !

ANNUAL MEMBERSHIP SUBSCRIPTIONS REDUCED

In view of the restriction on some facilities in January and February during the building works, the committee have decided that for 2017 ONLY the annual subscription for full annual members will be reduced by £3 . The reduced 2017 annual charge of **£21.00** falls due on the 1st January 2017 as does the £2 party subscription payable by Life Members. (Obviously because the Club receives nothing from this we cannot reduce this payment).
