I am Joanna Jones, an award-winning Clinical Dental Technician (CDT). I graduated with a distinction from my CDT diploma course at the Royal College of Surgeons. I have over 30 years experience making dentures as a qualified dental technician.

I offer a caring, personalised, service direct to clients needing new dentures or wanting their current dentures repaired or altered.

I carry out home visits in and around Storrington, Pulborough, West Chiltington, Thakeham, Petworth, Ashington, Billingshurst, Steyning, Arundel, Worthing and Shoreham.

Services

- **New dentures**
- **Denture repairs**
- **Additions and relines**
- **Dentures professionally cleaned**
- **Free initial consultations in the local area**
- **Weekend and evening appointments are available**

To find out more, please call or visit www.sd-ds.co.uk.
