Level 3 Award in Paediatric First Aid (QCF)

Costs £120 + VAT
2 day course

This qualification is based on the OFSTED guidelines for people who work with, or look after children to enable them to have a basic knowledge of how to deal with paediatric first aid situations, illnesses, injuries and emergencies.

Aim of Qualification

The aim of the qualification is to enable learners to attain the knowledge and practical competencies needed to deal with a range of:

Paediatric first aid situations
Paediatric illness, injuries and emergencies

Learners should be able to demonstrate the practical administration of safe, prompt, effective first aid in situations which can arise when looking after children.

Assessment Method

Practical assessment completed throughout the course

Multiple choice question paper
