Health & Safety Awareness

Costs £65 + VAT
1/2 Day

Providing a foundation in health and safety in the workplace, learners will explore their role and responsibilities under current legislation guidelines.

The aim of the course is to provide employees with sufficient information to enable them to protect themselves and others from harm.

This awareness course is suitable as an induction course for all new employees or as a refresher course for existing employees who need to re-familiarise themselves on the basic principles of protection and good practice.
