Level 2 Award in Food Safety in Catering (QCF)

Costs £65.00 + VAT
1 day

The qualification is designed principally for those who are, or intend to be, food handlers working in catering. It is also appropriate for persons providing services to catering premises including pest control operators, maintenance engineers, cleaners, laundry and delivery personnel.

Aim of Qualification

Providing learners with knowledge of the basic food safety practices that is essential in the catering industry, this qualification will enable learners to identify how to make changes to catering practices in order to improve the safety of catering services.

• Course Content

- Duties and responsibilities
- Food safety procedures
- Risk assessment
- Safe food handling and behaviour
- Reporting food safety hazards
- Personal hygiene
- Cleaning and disinfection methods
- Safe use and storage of cleaning chemicals and materials
- Waste disposal
