## Functional Skills Qualifications

### Functional skills

Improving your employee's skills will improve their confidence and productivity at work and have a profound impact on your customer service, efficiency and reputation.

We can help you boost the confidence and efficiency of your staff through new skills and qualifications.

Our range of maths and English solutions includes courses, qualifications and functional skills.

### These can be delivered as:

- standalone qualifications
- individual maths or English courses to address specific skills shortages

We'll work with you to deliver a solution to improve your employees' skills.

Our maths and English qualifications are:

- nationally accredited
  - tailored to individual's learning needs
  - flexible delivery
- can be via a combination of centre and home/office learning
- customised – content to meet your needs
