The specific aims of the Pearson BTEC Level 1 Certificate, Extended Certificate and Diploma in Exploring the Caring Sectors are to:

- Provide a flexible and challenging programme of study related to the caring sectors that is suited to learners who have the general interest and aptitude to progress to further study
- Broaden and deepen learners' understanding of careers in healthcare, social care and children's services
- Provide a broad and balanced programme of study through the core unit that develops knowledge and understanding relevant to the caring sectors as a whole
- Allow learners to develop their personal and employability skills through the provision of a broad range of optional units
- Provide opportunities for the development of transferable skills related to study and vocational application that provide a platform for success
- Support informed progression to Level 2 qualifications in health, social care or children's services sectors
- Give learners the potential opportunity to progress to employment, in due course, in a range of job roles in the caring sectors.

EXAMPLE UNITS

Unit name	Unit No	Unit Ref No	Level	Credit	GLH
Introduction to the Caring Sectors	1	M/505/2968	1	4	40
Communication with Adults and Children in Health and Social Care	4	Y/501/7227	1	4	30
Promoting Healthy Eating in Care	5	R/501/7226	1	4	30
Career Progression	21	F/503/2837	1	2	20

Unit 1 aim

The aim of this unit is for learners to develop knowledge and understanding of the scope of the health, social care and children's sectors in supporting the health, development and wellbeing of individuals across the life stages. Learners explore the care values of the sectors and the job roles available.

Unit 4 aim

The aim of this unit is to introduce learners to different types of communication, barriers to communication and ways to communicate with adults and children in health and social care settings.

Unit 5 aim

This unit aims to develop learners' knowledge of healthy drinks and snacks and how food contributes to health. Learners will have the opportunity to prepare healthy drinks and snacks.

Unit 21 aim

The aim of this unit is for learners to understand the importance of career progression and develop the skills to plan short-term goals for their own career development based on self-assessment of skills, qualities and experience.
