

ADOPTION POLICY

Our primary objective here at L.H.P.R is to re-home the horses and ponies that pass through our gate into suitable, caring and loving homes. These equines in many cases have been fully rehabilitated.

We encourage all horse lovers to consider the option of rehoming a horse or pony from our facility. It is always a hugely rewarding experience. More than ever we need long term homes for our horses and ponies. If you are in a position to give a loving home to one of our beautiful rescues, do get in touch by filling out our loan home application form.

We only accept applications of permanent and forever homes.

If you cannot accommodate the equine when you or your child transitions to a larger pony/horse , please do not apply as your application will be rejected.

Horses adopted from Leinster Horse and Pony Rescue (LHPR) MAY NOT under any circumstances be SOLD or GIVEN AWAY or legal ownership changed. Selling/Giving Away Adopted Horses violates the Adoption Agreement and violators will be prosecuted. You must also NEVER EVER move an equine to another location without prior permission and inspection from LHPR (even if it is only for a short time or a short distance away).

**Application Form
is filled in**

**If approved a home
visit will be carried out**

**Animal is picked up and a
contract/agreement is signed
and a donation is handed
over to L.H.P.R**

UNFORTUNATELY, WE DO NOT OFFER TRIAL PERIODS FOR ADOPTION. HOWEVER, WE ARE MORE THAN HAPPY TO FOSTER THE EQUINE TO YOU (THREE MONTHS) WITH A VIEW TO ADOPTION.

Once this form is completed, we will be in touch if we have something that is suitable (unless submitted for a particular equine), to arrange a home visit.

Each year at an agreed time with you, this passport will be inspected to ensure its contents (in particular vaccine information) is up to date.
