Irrigation Technician Wanted

Urban Lawn & Landscape, a strong, growing Oklahoma City-based company in its 10th year in business has openings for an **irrigation technician**. The irrigation technician will install new and repair or upgrade existing irrigation systems.

Experience is helpful, but **not required**. On-the-job training available. Continuing education classes are offered (online, seminars, webinars, etc.) and encouraged.

Work is steady and year-round. 40+ hours a week. **Above average wages** offered with overtime after 40 hours. Paid vacation and three paid holidays (Thanksgiving, Christmas and New Years Day).

Irrigation technicians are in **HIGH** demand and will continue to be as water is a valuable resource. It is said that "Water is the future gold". Be in the right job at the right time and your future is limitless!

Contact Urban Lawn & Landscape at **Rebekah@urbanlawnsinc.com** or **405-782-0999** for complete information and to set up an interview.
