

# LANDSCAPES DESIGNER / HORTICULTURALIST

**Job Title:** Landscapes Designer / Horticulturalist

**Job Type:** Full Time or Part Time

**Job Summary:**

Come grow with Apple Valley Eco-Landscapes!

We are seeking creative people to help build OKC's latest sustainable lawn care and landscape company. We are seeking a person with landscape design/ horticulture background and excellent client management skills. The landscape designer is responsible for the customer experience throughout the landscape design process. From in-home visit, landscape design, plant selection, project closing and ongoing maintenance applying horticulture techniques.

**Compensation and Benefits:**

Competitive wages plus bonus, depending on experience. Year-round employment. Great advancement opportunities.

**Responsibilities and Qualifications:**

- Seeks and develops new business as required to maintain sales goals.
- Accurate assessment of the scope of the customer project.
- Develops written proposals and detailed drawings for sales use, cost estimates, proposal, contracts, and reviews with clients.
- Makes follow up calls with customers to insure satisfaction.
- Strong salesmanship with closing capabilities, estimating and organizational skills.
- Demonstrating dependability and efficient work practices.
- Creative and innovative thinking.
- Strong horticulture understanding and background.
- Knowledge in sustainable landscapes and Oklahoma native plants.
- Technically superior and exceptionally creative design portfolio.
- Prior experience working in the landscape design-and-build field, ideally 2 years full-time.
- Degree in Landscape Design, Landscape Architecture or Horticulture is strongly preferred. Strong candidates pursuing who have the completion of at least 50% of their credits may also be considered.
- You're passionate about customer service and obsessive about account management. Clients love you.

Apple Valley Eco-Landscapes provides equal employment opportunities for qualified individuals and does not discriminate in employment on the basis of race, color, national origin, age, disability or other prohibited basis.

### **About Apple Valley Eco-Landscapes:**

Apple Valley Eco-Landscapes is a residential and commercial eco-friendly lawn care and landscape service company focused on environmentally-conscious customers in Edmond and the entire Oklahoma City metro area. At Apple Valley, we use commercial grade battery-powered mowers, including trimmers and blowers. In addition, we offer organic lawn care programs, sustainable landscape designs and installation and other yard and outdoor services that will maintain your property looking stunning year-round. We are more than just a mowing company—we are landscaping with a higher mission in mind.
