

GOLDEN RETRIEVER *Companions*

PET PURCHASE AGREEMENT (SPAY / NEUTER CONTRACT)

*Thank you for deciding to purchase one of our puppies. We want to make this a stress-free, enjoyable experience for you. Please feel free to message, email, call, or text us with any questions or concerns that you might have along the way. You can follow us on our Facebook Page to keep up-to-date with pictures, videos, & information about each litter as the puppies grows until it is time them to go to their new homes. This contract is written for the protection of both the Breeder and the Buyer. However, it is primarily written to protect the health and general well-being of the puppy. **Please be certain that you are ready for the time commitment and financial responsibility of a puppy prior to putting a deposit on one!***

DEPOSIT & PICKING

Buyer's Initials

A **NON-REFUNDABLE deposit of \$500** is one of the requirements to hold a puppy. This deposit will be applied towards the full purchase price of the puppy. Deposits are accepted via *PayPal*, *Cashier's Check* or *Postal Money Order* (payable to Mark & Kendra Stammen), or via *Cash* (ONLY if delivered in person). The Breeder will cover the "Paypal Protection Fee" if the buyer chooses to "Pay for a Service" when sending money via Paypal for Initial Deposit.

The Buyer must choose his/her desired gender, male or female, at the time of deposit. The order in which Buyers "pick" the puppy they want from the litter, is based on order of deposits received (IN HAND or when the transaction clears), with the exception of the Buyers who choose to pay the extra \$500 for *Guaranteed First Pick*. These Buyers will jump to the front, for first pick female and first pick male, and the rest of the Buyers will pick after them, in order of deposit received.

If a Buyer has a deposit on an upcoming litter and the female doesn't take, or the end result is no pregnancy at that time, OR If a Buyer has a deposit on a litter, and there are more deposits than puppies available, OR If there is a problem with the health of a puppy (outside of the parameters listed in the Health Guarantee below), the Buyer can choose one of the following three options:

- (1) Request a full refund of the deposit*
- (2) Reserve a puppy from another litter (price of puppy may vary)*

ADDITIONAL PAYMENTS

Buyer's Initials

The price of each puppy depends on the litter. Additional payments (including tax or any additional fees) are accepted via *Cashier's Check* or *Postal Money Order* (payable to Mark & Kendra Stammen), or via *Cash* (ONLY if paying in person). If the Buyer plans to make their final payment via Cashier's Check, or Postal Money Order, or if the puppy is to be delivered, then the remaining payment is due when the puppy is 6 weeks of age to ensure payment is cleared before puppy leaves here. If the Buyer plans to pick up his/her puppy, and would like to pay off the balance at that time, he/she may do so, but CASH is the only form accepted at the time of pick up. If a puppy is purchased after 6 weeks of age, the Buyer must wait until payment clears before pick up/delivery of the puppy. **The Breeder only accepts additional payments via Paypal if paid to "Friends and Family" where no one acquires any additional fee. If the Buyer chooses to "Pay for a Service," via Paypal, then the Buyer is responsible for any Paypal fees.**

PICKING UP / DELIVERING

Buyer's Initials

The Buyer is expected to pick up their puppy between the ages of 8 and 9 weeks. Starting at 9 weeks of age, a daily boarding fee of \$50/day plus tax will be charged until he/she is picked up. If the Breeder chooses to have his/her puppy delivered, the Breeder will work together with the buyer and/or third party transport service personnel to arrange for it to be done between 8 and 9 weeks of age, depending on availability. If the Buyer requests delivery after 9 weeks of age, a daily boarding fee of \$50/day plus tax will be charged until he/she is delivered. If using a third-party transportation service to have your puppy transported to you via ground or air, the puppy is no longer under the watch/care of the Breeder, therefore the Breeder is not held responsible for anything that may happen to the puppy once he/she is handed over to the transportation service personnel. Any additional transportation service fees should be paid directly to the provider of transportation service whenever and however they request payment made.

LOST / FOUND

Buyer's Initials

If the dog is ever lost/found, the Breeder has the authority to take the dog into his/her possession. The Breeder will attempt to notify the Buyer of the dog's rescue. The Buyer agrees to notify the Breeder of changes in address, phone number, and/or email address. This ensures that the Breeder has accurate data in the event that they are contacted in regards to a lost/found dog, and enables the Breeder to aid in the dog's return.

SIZE & COAT COLOR

Buyer's Initials

The Breeder does not guarantee size or coat color of puppy as an adult. The Breeder will give the Buyer the weight/coat color of the puppy's parents and the weight/coat color of litter mates.

_____ *Buyer's Initials*

1. The puppy will have been vet checked, and deemed in good health at the time of sale. The Buyer, at their own expense, should have the puppy examined by a Licensed Vet within 3 business days of receiving the puppy. Should the dog be found with a growth deformity or to be in poor health of a serious nature that is diagnosed as permanently life-altering by a veterinarian, documentation must be sent to the Breeder within ten days in order for this Health Guarantee to be honored. Breeder will provide Buyer with a full refund of the purchase price of dog and the cost of the initial vet visit, only after the dog is returned to Breeder. Any additional veterinarian expenses and associated costs will not be refunded. **This warranty will be terminated immediately if the dog is not examined by a veterinarian within 3 business days of pick up/delivery.**
2. The puppy will be up to date on shots and worming at the time of pick up/delivery. It is very important that the Buyer continues on the vaccination schedule set by his/her Veterinarian.
3. The Breeder is not responsible for puppies which develop Hypoglycemia (low blood sugar) after the puppy is in the new owner's possession. The Buyer will receive information on what to do if this occurs.
