## Whitening for Life Program

### Options For a Brighter, Whiter Smile for Life

Campus Smiles is proud to offer patients our *Whitening For Life Program* designed to help each patient achieve a healthier, brighter, and whiter smile.

#### Step One: Become a Patient

Complete your exam,  
x-rays, and cleaning  
appointment

#### Step Two: Remain Active

Stay on schedule  
with your cleaning  
appointments

#### Free Whitening for Life

Receive free  
whitening syringe refills  
at appointments

### Program Terms and Conditions

- 1 The WFL Program is for new and active patients. Program begins after receiving x-rays, exam, and either a routine cleaning or periodontal cleaning. Patient must be decay-free.
- 2 Patients must keep their regularly scheduled cleaning, exam, and x-ray appointments (at least twice per year) to maintain program eligibility.
- 3 In the event a patient needs to change a cleaning appointment, program rules require that the patient reschedule within four weeks of the previously scheduled appointment date to maintain program eligibility (Campus Smiles requires 48 hours advance notice to cancel or change an appointment to avoid a charge).
- 4 One whitening gel syringe will be provided free of charge at each completed routine cleaning or periodontal maintenance appointment. Additional syringes can be purchased for \$15.00 each.
- 5 Lost or destroyed trays will be replaced at a cost of \$35.00 for each custom tray and \$15 for each generic tray.
- 6 Patients who do not successfully meet patient responsibilities will be deactivated from the program, but will be provided the opportunity to re-enroll for a \$99.00 reactivation fee.

For any questions or concerns about the Whitening For Life Program, please inquire with a Campus Smiles team member!

By signing below, the patient acknowledges his/her understanding and agreement to the program terms and conditions.
