

KATHERINE'S MAGICAL KINGDOM INC.

SEEKING A HUMAN CIVIL RIGHTS LAWYER/ATTORNEY

Wining compensation is \$630 Billion Dollars for 3 years and additional compensation included. This lawsuit or simple Litigation is based on the Indigenous Negro Americans Civil Rights being constantly Violated by Congress, State Senate and the Federal Reserve System. In order to win this case, you must represent Katherine Irvin a, Indigenous Negro American. Example: Congress, its Constitution (That was only addressed to the British) and all its **Foreign** Federally Funded Executive Branches formed itself in 1776-1765 that is only addressed to the 13 Colonies and NOT to all other States such as California. In which our Indigenous Grandparents and I never signed a contract agreement with Congress, the Senate nor the Federal Reserve. In which they have NO right or Authority to dictate, control and set Laws on my behalf on how I or we should live our lives in our own Country. Therefore, all U.S. Government Policies becomes Null and Void. And Compensation must be rendered to the Indigenous Business CEO Requester. More Details is explained.

KATHERINE'S MAGICAL KINGDOM, INC.

PROPOSAL: LEGAL CASE AGAINST THE UNITED STATES GOVERNMENT

Seeking Legal Representation, based on Civil Human Rights Abuse & Corruption.

This proposal is to present valuable substantiating information regarding a legitimate case to file a lawsuit against California State Senate Dianne Feinstein, Congress and the Board of Governors of the Federal Reserve System. This proposal outlines their direct involvement in Non-compliance Violation and Corruption against the Founder/CEO Ms. Katherine Irvin. While continuing to commit Corrupt Acts against the Indigenous Population. Particularly against the "Indigenous" Negro Americans and/or African Americans. This Proposal outlines the fact that I have been presented with the Solution to the ongoing problem of Poverty, Homelessness, U.S. Government Corruption and Abuse. And yet, they continue to ignore the solution documents that's been presented to them Since 2007-2018, ignoring my request funding. While allowing the suffering conditions and the plight in which the U.S. Government Law Policies have caused. Which ultimately goes against the grain of my Indigenous Human Rights.

OVERVIEW

KATHERINE'S MAGICAL KINGDOM, Inc. is pleased to submit this proposal request for legal representation services from The Interest of a Human Civil Rights Law Firm in hopes that your office would acquire one of the most important Human Civil Right Cases to date. My goal is to legally present my Company's Sovereign Constitutional Law Decree and Company Project Development Initiatives) to be entered in the United State Congress Assembled as a "Bill Act Law" of great importance and urgency. But, my request keeps getting ignored by the California Senate since 2007. I've recently contacted the Law office of Dr. William F. Pepper (A Sole Practitioner of Human Civil Rights Attorney) Dr. William F. Pepper is Dr. Martin Luther Kings Attorney and the family of Dr. King Won the Civil Lawsuit Case in the Wrongful Death of Dr. King. In which the Jury took an hour to find the United States Government **Guilty!** In Memphis Tenn. 1999.

I recently asked Dr. William F. Pepper on 8/29/2018 if he could Legally Represent my case. I Forwarded over this very Proposal to him by Email. He read the Proposal and told me "Katherine I would take your Case, but my Health is failing me and would be impossible for me to work on your case at this time"

So, I'm sending this Proposal Request for Legal Representation "To the interest of a Human Civil Rights Law Firm. This case would be unusually simple, rewarding and Promising to say the least. In fact, this can be done by "**Pro Bono**" Because I am impoverished myself and I'm merely asking my "Potential" Human Rights Attorney too simply review the KMK Company's Documents, then add your comments to show that I have legal representations. So that I may present the request to the entities in questioned.

The reason for requesting Legal assistance is because I'm being unfairly ignored by California State Senate and possibly by the Federal Reserve. I've sent in my Grievance Statement to their offices to the Federal Reserve for funding because this is what they do, they fund Business Corporations) The Federal Reserve applied back stating they will get back with me shortly.

However, if, legal representation approves this request? And our efforts are still being ignored by legal submission? Then I'd like to take legal action against them for Non -Compliance, Human Civil Rights Abuse and Corruption.

The Objective

Hello, my name is Katherine Irvin, I am the Founder/CEO/Manager of Katherine's Magical Kingdom Inc, I formed the Company in Los Angeles California since 2007. It's the development of Self- Governing Prosperous Economic Communities. Communities that are like what Dr. Martin Luther King referred to as "**The Promise Land**". It is design for the U.S. Government to admit into Law as a "Bill Act" by Congress and would be approved for Funding by the Federal Reserve. Because it is the Solution of eliminating Poverty, Homelessness, Crimes, Police Brutality, Mass Incarceration, even Government Corruption and Abuse against its citizens. Numerous times I have sent my Company's Bill Act documents to former and Current United States Presidents, Senators, local State Legislators and Congressmen since 2007-2018. If possible, I'd like for my Potential Human Rights Attorney to request for a written explanation from them. So, they can explain to me in their written statement why my request is being ignored or denied?

Sincerely,

Katherine Irvin Founder, CEO and Manager of;
Katherine's Magical Kingdom Inc.

Bases to file for Civil Human Rights Lawsuit

United States Executive Order Statement

December 20, 2017 President Donald J. Trump signed Executive Orders

On December 20, 2017 President Donald J. Trump signed an Executive Order called “Executive Orders, Blocking the Property of **Foreign Persons** Involved in Serious Human Rights Abuse or Corruption” This order is pertaining to “**Any**” Foreign Government Organization that Presence themselves as a President of a Country, Senator, Congress, Council, Military or Police Enforcement and all its Affiliates whom are working within the U.S. or Outside of the U.S. That have been Committing or is currently committing “Severe Human Rights Abuse and Corruption against “Any” Group or Individual (s) living in America. The Guilty party members Must be removed from their position of “Any” high ranking Office, Land, Properties and Compensation Must be Rendered back to the victims. President Donald J. Trump added a list of Presidents from Countries that were working in the U.S. But failed to add themselves on the Annex List of “Foreign” Corrupt government entities operating in America.

(The entire Presidential Executive Order document is attached to this Proposal)

*According to the Census Bureau, European Colonizers of the United States Congress Assembled established itself in the year 1790-1865 and thousands of immigrate Europeans (The Employees of the U.S.) started to arrive into this Country in mass numbers around 1913-1940. Therefore, it is impossible to consider themselves as Indigenous to America. According to All Indigenous Negro Americans, overwhelming substantial evidence suggest that the entire U.S. Government Federal Business Corporation is in fact, a “**Foreign**” Business Corporation Entity”. And its foreign establishment were flat out refused and considered to be an illegal Crime against Humanity. Due to its direct inhumane actions to cause **Severe Human Rights Abuse and Corruption**” against the Indigenous Negroes and/or African American Population. And just like any other Business Corporation within our society must be held accountable for their ongoing criminal actions and Bias intent. The U.S. Government has appointed itself “Responsible” As the People’s Public Servants”. Therefore, they are employed on Payroll” to address the most important issues that the American people are faced with today.

*The Company of KMK is written and formed by Ms. Katherine Irvin. A Sovereign Indigenous Negro American. Our Company comes with its own Indigenous Sovereign Constitutional Law Decree. The instructional Law Policies, Rules, Financial Requests and Regulations as it is written must be admitted, abide granted and highly respected. By the **Foreign** United States President and Congress that is clearly stated in the “U.S. President December 20th Executive Orders” which can be easily proven in an “**Open Public Court of Law**”

The Bases, Question and Answers to file a Lawsuit.

1. (A) Who is requesting to file a Lawsuit against the U.S. Government? (B) What rights or Authority do you have in America? (C) Who are you requesting this assisting from?

A. Ms. Katherine Irvin, a sovereign “Indigenous” Negro American Woman” Requesting to implement the solution to the Plaguing problem of Poverty, Homelessness, Crimes etc.

B. According to my “Indigenous Sovereignty within my own Country of America” I have Every Right to request for funding and for it to be approved just like all other U.S. Government Corporations are approved in my Country.

C. From a “Foreign Government” Corporation Business Entity. That illegally appointed themselves to dictate over a Country that was “Never” appointed to them. No contract agreement was ever signed by any Indigenous Individual, to give Authoritative Status too.

2. Based on your personal experince as an Indigenous Individual, what effect has this “Foreign U.S. Government Corporation Business” have caused?

A.) The effects have caused millions of our Indigenous Great Grand Parents livelihood and way of life to be destroyed. And because of that it has negatively impact my way of life personally. The impact has caused me along with 70% of the population to live in Poverty and/or Homelessness. Moreover, we are all being exposed to utter Tyranny, Misery and Despair. In which none of us have ever signed Any Contract or Agreement to be ruled over by this Foreign Government Business Corporation. Their Policy Laws that are in place threatens the very lives of not only our existence. But, every race in America. To the point that All Americans no matter what color they are. Are in constant danger of this unwarranted rulership that none of us signed up for.

3. What are the bases or reason for which you are filing the lawsuit?

A.) The U.S. Federal Reserve steals Trillions of Tax Payers Money every 2-3 Years. While funding the Pentagon with an annual budget of \$630-Billion Dollars. And when I request for the same amount to eliminate the most devastating problems that exist? I’m unfairly denied by both the State Senate and the Federal Reserve.

B.) Congress and the Federal Reserve Banking System agrees with their unfair Policy Laws regarding the qualification for any **Business Loan Startup, Government Grants and all U.S. Federal Banking Institution Loans.** Their unfair policy requires that half of the Funds that are being requested for a loan must be present in their bank account, must provide valuable assets, 4 various Company Partnership References, Credit score must be 720- 800 and your business must be successfully operating two years prior. These Policy Laws to obtain a Loan is unrealistic and Illegal according to an impoverished Indigenous Individual.

Rationale

Various unrealistic Comments from the U.S. Government officials are commonly used to deny their duties to assist. States the following;

(1. a) “Well you cannot change the written rule of Law it’s just the way things are.” “We didn’t personally enslave “You” our forefathers did in the past. So, we wouldn’t be held accountable for the Laws that are written today. **(2. b)** “Slavery happened in the past and you should get over it”

1. a) Response from the Indigenous: Myself and Millions of others living in America are Indigenous. Certain of the U.S. Law Policy’s Must become Null and Void within our Society and way of life. In addition, the fact that “You” the U.S. Government are aware of your Forefathers Corruption and its Illegal act of enslaving, then later in 1865 to the year 2018 continues to force your illegal Policy Laws that creates Racial Crimes of Injustices, Poverty and Homelessness within the Indigenous Societies. Are in fact Criminal Acts against Humanity. In which the U.S. Government must be held accountable for the crimes that they are currently committing.

2. b) Response from the Indigenous: Well, some may wish that they can just sweep their denial under the Rug”. If only the Racial criminal intent to harm ended in the year 1865 during the Proclamation Emancipation with the “Fair Act” of returning all stolen Property land, Heirlooms and Resources back into the hands of our Indigenous Grand Parents. If only the overwhelming evidence of Deception, Racial Bias, Racial Injustices and Malicious intent weren’t so easily available to present in an **Open Public Court of Law**. If, only the historical and current evidence to substantiate the claim for Reparations were so relevantly important today.

Then of course, We would’ve gotten over it decades ago” it wouldn’t be a reason to file a lawsuit against the U.S. Government Business Corporation” The bases to file a Lawsuit is due to the ongoing current devastating problems that exist today. That stems from 1790-1900’s Illegal and Foreign Law Policy’ and is the #1 cause of Poverty, Homelessness, Mass incarceration, Crimes of injustices and so on.

Grievance Statement; Regarding Funding approval for the development of Company Initiates.

Filing a Formal Grievance against the California State Senate and the Board of Governors of the Federal Reserve System.

I, Katherine Irvin hereby state the following Complaint/Grievances:

Katherine Irvin, the Founder/CEO/Manager of Katherine's Magical Kingdom Inc, and the Successful Service Social Program Inc. formed in Los Angeles California since 2007. Both companies are designed to change America for the better. It's the development of Self- Governing Prosperous Economic Communities. Communities that are like what Dr. Martin Luther King referred to as "**The Promise Land**". Katherine's Magical Kingdom Inc is designed for Long-term Economic Growth on a massive global level. Reaching Annual Sale Profits of over \$3-Trillion through Nation-Worldwide Economic Consumerisms System. It is design for the U.S. Government to admit into Law as a "Bill Act" by Congress. Because it is the Solution of eliminating 80% of Severe Mental, Physical Stress and Strain that's contributed by Poverty, Homelessness, Various Illegal Law Policy, Police Brutality, Mass Incarceration and Government Corruption and Abuse against its citizens.

Numerous times I have sent my Company's Bill Act documents to former and Current United States Presidents, Senators, local State Legislators and Local Congressmen since 2007-2018. My latest submission to the State Senate was submitted by Postal Certified Mail on January 4th, February 5, 2018 is denied or ignored. Either act is a violation against my Civil Rights. I've since received response letters from certain Government officials telling me that they cannot assist nor fund my Company's efforts to eliminate Poverty and homelessness in America. (Their Corresponded Letters is Included) Even though Congress and the Federal Reserve can't account for \$8.5. to 12- Trillion dollars of Tax payer's money that seemingly goes missing every 3- Years. And yet, since the 1990's to 2018 the Federal Reserve continues to allocate a never-ending yearly alleged military defense budget to the Pentagon of \$630-Billion Dollars. Which is the same amount of the funding request; outlined in KMK Company's Plans to end Poverty and homelessness.

Sincerely,
Katherine Irvin, Founder/ CEO/ Manger

Bio, Background, Experience.

Ms. Katherine Irvin, born in Chicago ILL on April 10, 1968. Mother of 4 wonderful Children, (Three of my children are now adults) I was a Full-time student at Victor Valley College studying for my Associate Degree in Political Science, Community Planning and Economic Development. But certain financial strains have prevented me from continuing at this time. My children and I have suffered for over 10 years under homelessness due to the high cost of living and for reasons that are explained within this Letter.

While the threat of Homelessness lingers (Which No Indigenous Person Should Ever Be Homeless in their own Country!) I'm constantly looking for a suitable program service of home ownership or Business ownership opportunities. I've applied at every Government Housing and Social Service Programs known to man. In which none have offered any real effective solution to end poverty.

Throughout my struggles and overwhelming adversity, I have over 40 years of experience and knowledge to solve the most important problems that exist today. I've sent numerous Project Development Plans and Business Plans regarding the Solution to the current problems. Since 2007- to former President William Jefferson Clinton) California Senator Diane Feinstein through April 2007-2018) President Barack Obama in 2009 – 2011) 2017-2018 Governor Jerry Brown) Local Congressmen Paul Cook, Legislation Assembly, President Donald J Trump 11/2017 -4/2018.

*My Grandparents and Great Grand Parents are the victims of Oklahoma and California Government racist attacks, in which the City of Oklahoma and California have stolen the land and resources that my Grandparents owned. My grandparents like Millions of others are Indigenous Negro Americans Tribe of Cherokee, Creek Nation. We are the Bloodline Descendants of the Ancient Olmec's, Queen Califia Tribe and many other Negro Indigenous Tribes. Are in fact the founders of California State, North and South America.

For more information on the Historical evidence and Identity of "African Americans" actually being Indigenous to America and the Current Problem Statement Regarding the Inherited Land and Financial Resource Rights being openly denied to them. Is outlined in Katherine's Magical Kingdom Sovereign Constitutional Law Decree. All documentation is available upon request and can be easily presented in an "Open Public Court of Law"

I. Problem Statement

Personal Anguish and Health Problems.

I have three adult daughters age 19, 26 and 28 years of age. All three including myself once again is struggling with Homelessness. Because there are no Jobs that pays hourly wages enough to satisfy the **Rent**, Bills, Food and Miscellaneous. All three adult children and I would have to either work 3 Jobs, find roommates to help pay just for the rent or become homeless once again. While we struggle to pay for rent, food, bills and other expenses. Tax money is being taken out of every single item that we purchase. Without being reimburse at the end of the year from all the accumulated Taxes being taken out. I speak for 99% of the American Population. This is a Crime against Humanity. My Doctor informs me that I am physical and/or Mentally Stress from the hardship that I'm currently under which has cause my Heart to constantly beat irregularly.

Unfair and/or illegal Banking Loan Requirements

I've provided the Solution Project Plan to President Trump and Barack Obama who suggested that I apply for Government Loans or Loans at any Banking Branch. I informed them both that "In order to be approved for a Loan at any Banking Institution. "A person must have at least half of the funds that are being requested in their business account, Certain valuable Collateral must be added, plus the business itself must be successfully operating 2- years prior, with a perfect credit score of 720-800 and 4 References from Business partnerships. In which I informed them that those policy requirements would be impossible for me or "Any" impoverished person to achieve. Which completely stop the effort of developing any Emergency services for those who need KMK Services.

Illegal Housing Policy Laws and Federal Reserve Negligence.

Through 40 years of personal experince, knowledge and research I've found that the #1 cause of people living in severe poverty, homelessness and despair. Is due to the Federal Reserve Consumerism Policies through the U.S. Government Real Estate Housing Policy Law. The unwarranted Housing Laws systematically forces every American Including the "Indigenous Negro Population" to pay outrageous monthly housing fees and taxes. (Think about that for one moment) Regarding the Indigenous Negro American they are literally being forced to pay thousands if not millions of dollars in their own Country that is automatically Inherited to them! It's as if they are paying for their own Inheritance" 100% of the population #1 worrisome concern is how to come up with enough money to pay for Rent or Mortgage and Tax fees. A Home is the #1 important necessity for our survival. And yet it has an illegal Price Tag on it!!"

The United State Government Deliberately Lied about the Truth History of the Indigenous Negro Americans. Regarding the Newly Arrived White Settlers occupying the Only the 13 Colonies of forming the Constitution and Declaration of Laws that did NOT apply to California and all other States. Therefore, all written Laws becomes Null and void!

The Laws of the United State Senate Congress Assembled and the Board of Governors of the Federal Reserve System is dangerously affecting Myself, family members and everyone I Personally know. The formal complaint is based on the Board of Governors of the Federal Reserve System, Congress Assembled, State Senate lack of empathy or attention to the ongoing problems of Poverty, Homelessness Their unfair illegal Government Policy Laws appears to be deliberate acts of Corruption and Abuse. In which lives are at stake!

When all options have failed in acquiring assistance from local Government Corporate Business Services then it is the duties of the Funders of these Government Corporate Business Services Such as the Board of Governors of the Federal Reserve System to step in to make sure that its Executive Branches is providing the assistance that is needed. As it is written in the Constitution, Declaration and numerous Treaty Laws. The purpose of which the written Laws by Congress Assembled were implement was due to the continuous savage Uncivilized conflict between the Foreign U.S. Congress Assembled and the British Government 1776-1785 Act. Unfortunately, their Foreign savage conflict have spelled over and illegally forced its unwarranted Law Policy's unto the Indigenous Negro Americans way of life. As a result, today Tyranny Reign Supreme in America. And not one Indigenous Negro American ever signed an agreement or contract of compliance to their illegal foreign U.S. Government Law Policy's and its Executive Branches that are woven into our Society. A new rule of Law was written on December 20, 2017 by President Donald Trump called:

United States Executive Order Statement

December 20, 2017 President Donald J. Trump signed Executive Orders

On December 20, 2017 President Donald J. Trump signed an Executive Order called “Executive Orders, Blocking the Property of **Foreign Persons** Involved in Serious Human Rights Abuse or Corruption” (The entire Presidential Executive Order document is attached to this Proposal) This order is pertaining to “**Any**” Foreign Government Organization that Presence themselves as a President of a Country, Senator, Congress, Council, Military or Police Enforcement and all its Affiliates whom are working within the U.S. or Outside of the U.S. That have been Committing or is currently committing “**Severe Human Rights Abuse and Corruption against “Any” Group or Individual (s) living in America. Must be removed from their position of “Any” high ranking Office. And Land, Properties and Compensation Must be Rendered back to the victims.**” President Donald J. Trump added a list of Presidents from other Countries but failed to add themselves on the Annex List of “Foreign” Corrupt government entities operating in America.

The European Colonizers of the United States Congress Assembled established itself in the year 1790. According to the Census Bureau thousands of Europeans started to arrive into this Country in mass numbers in 1913-1940. Therefore, they couldn’t possibly consider themselves as Indigenous to America. The substantial evidence that’s outlined in KMK Sovereign Constitutional Law Decree suggest that the entire U.S. Government Federal Business Corporation is in fact, a “**Foreign**” European Government Business Corporation Entity”. Its establishment were flat out refused and considered to be an illegal Crime against Humanity. Due to its direct inhumane actions to cause “**Severe Human Rights Abuse and Corruption**” against the Indigenous Negros and/or African American Population. And just like any other Business Corporation within our society must be held accountable for their ongoing criminal actions of Bias intent. The U.S. Government has appointed itself “Responsible” As the People’s Public Servants”. Therefore, they are employed on Payroll” to address the most important issues that the American people are faced with today.

The Position and Duties held by United State Senate Congress Assembled;

U.S. Congress makes laws that influence our daily lives. It holds hearings to inform the legislative process, conducts investigations to oversee the Executive Branch, and is elected to Serve as the Voice of **The People** and the states in the federal government. **Congress** receives all tax Payers monies to financially Support all governmental Branches and Public services that we see today. From the Public’s Consumerism on every single thing that is produced on this planet. All its profits, Taxes, Insurances, capital are collected into the Board of Governors of the Federal Reserve System. In which they receive well over \$3 Trillion each year. A small portion of that could easily eliminate Poverty and Homelessness. As a result, certain crimes in America would no longer exist.

United State Senate Congress, legislative, lawmaking, branches of the national government also share power with the President of the United State and the Supreme Court.

The writers of the U.S. Constitution and Declaration thought **Congress Assembled** was so important, they listed it first! **Congress** has two parts, the Senate and the House of Representatives. Both must work together for the **Wellbeing, Safety, Security and Sustainability for the People** as it is written in the Declaration and Constitution. And when all other Governmental entities have failed the People? The people must submit their written Grievances to U.S. Senate Congress Assembled. And if, the U.S. Congress refuses to accommodate its Constituents would be consider as Treason, Felony and a Breach of the Peace. And can be the subject of removal.

This statement is on the Federal Reserve Broad Website states the Following;

The Position Held and Duties by the Governors of the Federal Reserve System:

The Federal Reserve System is the central bank of the United States. It performs five general functions to promote the effective operation of the U.S. economy and, more generally, the public interest. The Federal Reserve

- conducts the nation's monetary policy to promote maximum employment, stable prices, and moderate long-term interest rates in the U.S. economy;
- promotes the stability of the financial system and seeks to minimize and contain systemic risks through active monitoring and engagement in the U.S. and abroad;
- promotes the safety and soundness of individual financial institutions and monitors their impact on the financial system as a whole;
- fosters payment and settlement system safety and efficiency through services to the banking industry and the U.S. government that facilitate U.S.-dollar transactions and payments; and
- promotes consumer protection and community development through consumer-focused supervision and examination, research and analysis of emerging consumer issues and trends, community economic development activities, and the administration of consumer laws.

U.S. Government Veteran News Reporting

Aired on C-Span-3 News, in 2013 The Federal Reserve Inspector Coleman was held into questioning by the House of Representatives Alan Grayson about \$8.5 Trillion suddenly came up missing claiming it has "Dodge an Audit" And prior to that on February of 2010 during the Bush administration according to (D) Florida Representative Alan Grayson \$12- Trillion Dollars has come up missing. Veteran and Senior Editor of Today's Newspaper Gordon Duff explains "The Pentagon works much like the Federal Reserve, we have overt and covert policy's, we have so many un-necessary Black budget Project including nuclear weapons developments and huge over spending budgets as earlier as 1980's- 1991 as they continue to eat Tax Payers Money".

The Federal Reserve System collects Trillions of dollars each year through Taxes, Insurance, Consumerism and much more. As the People need a home it should not be look upon as an Economic Consumerisms Opportunity" for the Federal Reserve to collect profits. A home is our #1 Necessity to our Survival. And with the amount of money being collected by the Federal Reserve System each year. No one especially the Indigenous population should Pay for their Own Basic Human Right's needs. This is considered an all-out Crime and a disgrace! It's literally a crime against humanity. For generations, people are doing just about "Anything" to obtain the U.S. Dollar in providing an important need for their basic survival. Just think of the amount of damage, stress and strain the Federal Reserve System and Congress has caused its own Citizens. Just think what people can do and achieve if they were not illegally being forced to pay for housing Mortgage and Rental fees. **Certain Crimes and Poverty would end an instant!**

The solution to this most egregious problem is explained in KMK Company's Business Initiatives is included with this Grievance formal complaint Statement. Below is a brief outline of how the Federal Reserve operates its functions copied from its Official Website.

Regarding the U.S. Housing Cost Market;

The Housing Deed Ownership Certificate is the fastest and simplest way to end poverty in America. If, approved by Congress, State Senate, this will eradicate the threat of poverty and certain crimes to more than 70%. The economy would grow due to the population of more spending; more products and services would expand productivity would increase. People would worry less, working class would increase, new businesses would emerge due to individuals being able to own their home. People would be able to pay for more important things in life like: Health care coverage, College tuition, Insurance, Pursuit of Happiness etc. and Life would be more sustainable and Prosperous.

Today's high Cost of living

The average monthly cost for a good Home in a great neighborhood in the State of California is \$4,500 to \$7,000 dollars. This does not include monthly utilities such as; Gas, Electricity, Water, Garbage, Phone and Internet equaling to \$380,00. An average monthly food expense for a family of six is \$850,00. And important other miscellaneous uses \$350.00. Plus, savings \$500.00 totaling to **\$9,080**. Meanwhile the average employment income is \$900.00 to \$2,200 per month. Therefore, the average person results to either living with Family, Friends, Roommates or is Homeless.

To eradicate the Poverty and Homeless problem

Based on one of KMK Community Policy Initiatives for the Indigenous Negro Population. The cost of a home of any size anywhere in America. Would be based on the cost of a home prior to the U.S. Congress Assembled Establishment in 1776-1785. Based on the year of 1618-1776 estimating value cost of would be implied to the cost of a home today in the year 2018-2019.

For an example; When applying for housing at anyone of the KMK Public Social Service assisted Programs. Clients from the starting age of 18 years old and up will be eligible to receive their "KMK Housing Deed Ownership Certificate" at anyone of our F.G.P.L.C. Banking Branch Offices. Indigenous clients will then take their KMK Housing Deed Certificate to any professional Real Estate Company in the U.S. to acquire a home of their choice according to the individual or family size. Once the Participant finds a home let's say in Malibu or Beverly Hills California. The Real Estate Agent will tally up the "Blue Book value" amount estimating of how much the house would've cost in 1618-1776. If, the house estimates to let's say Zero to \$5,000 dollars? Then that's how much the Indigenous client would pay for their home. Qualified customers would receive their Deed Certificate, Housing profile and Keys within 45 minutes of completing their 2 -page housing "Deed" Application. To achieve this, the KMK Policy Plan may be presented through a Bill Act Policy Law of Great Urgency" and the Approval of Funding from the Federal Reserve Act. In the same importance matters of how other Government Corporate agencies are funded and implemented in our everyday society. Such as; The Federal Reserve System funding such corporations like: the U.S. Prison/Jails Business Services, Internal Revenue Services, U.S. Medical Pharmaceutical Companies, the U.S. Pentagon etc.

In the Honorable Great Dr. Martin Luther King own words of the Indigenous Negros being exposed to the Congress Assembled Corruption and Abuse.

The Great Dr. Martin Luther King Speech regarding “We Were Here”

“Much of America strays from the ideals of Justice goals of America, is Freedom...Used and Scorned though we maybe. Our destiny is tied up in the destiny of America. Before the Pilgrims foraged this land to Plymouth. “We Were Here” Before Jefferson etched across the pages of history the majestic words of the declaration of independence. “We Were Here” Before the words of the star spangle banner were written. “We Were Here” For more then 2-Centuries our forbearers labor here without any wages. They made Cotton King” they built the homes of their Foreign Oppressors during the most humiliating and oppressive Conditions. And out of a Bottomless Vitality! They continued to grow and develop. One hundred years later, the negro is still languishing in the corners of American society and finds himself an Exile in his own Land.”

Dr. Martin Luther King Regarding; “Promissory Note for the People”

“So, we have come here today to dramatize a shameful condition. In a sense we have come to the Nation Capitol to “Cash a Check” When the architects of the Republic wrote the Constitution and the Declaration of Independence they were signing a “Promissory Note” to which every American was to “Fall Heir too” This “Note” was a “Promise” that ALL Men, YES, Black Men as well as White Men. Would be guaranteed the unalienable Rights of Life, Liberty, and the Pursuit of Happiness.”

Dr. King discovered Congress’s fraud and corruption in their Financial & Land assistance Programs

In Dr. Kings own words: "At the very same time that America "Congress" refused to give the negroes any "Land" Through an act of "Congress" the U.S. government was giving away Millions! of Acres of Land in the West and in the mid-West, which meant that it was willing to undergird its white peasants from Europe with Economic floor, but not only did they give the land. They built land grant Colleges. With government money to teach them how to farm. Not only that, they provided County agents to further their expertise in farming. Not only that, they provided low interest’s rates in order that they mechanize their farms, not only that today many of these people are receiving Millions! in federal subsidy not to farm. And they are the very people telling the Black Man that he outta “Lift Himself Up by His Own Boot Straps” ...And this is what we are faced with, and this a reality...

Now when we come to Washington in this Campaign, we’re coming to get our Check”
