Race held rain or shine

Glorieta Camps, Glorieta, NM

The 2017 Cyclocross at Glorieta Camps will have one day of great racing in the central part of Glorieta Camps where we have held races previously. The course will consist of various terrain and be about 2K in length. We will base the registration and race start just outside the Chaparral building on Oak Street. This is the same building we have used in the past, it is just across Oak Street from the baseball field. We encourage you to pre-register for the event on the USA Cycling website. There will be a late fee; 10 dollars for registration after October 24th and on race day. Registration closes 15 minutes prior to each race.

**Location:** Glorieta Camps is about 15 minutes north of Santa Fe on I25. Take the Glorieta exit, turn left at the stop-sign and turn left again after you cross the freeway and you will come to the gate for Glorieta Camps in 1/2 mile. Stop at the gate to sign your waver, get a wrist band and there will be signs to direct you to the race headquarters at the Chaparral.
