Girrrrrl you are a powerhouse for real... a true TKO - it was a pleasure to meet you... didn't get to really speak to you much, but your energy was felt. I am sure you hear all the time that you are the bomb dot com... all I want to know is.. can i get you to help me to write a knock out speech... maybe you can add another layer to your already 'incredible' resume of accomplishments....All I want to say is that you were the surprise for me at the event... and out of all the speakers.. I truly enjoyed you the best!!! so glad I met you..and pray that we stay connected even if it's some small capacity.. you are real and extremely dynamic and I thank you for sharing your story with us - as you definitely inspired and empowered many of us!!

**After relocating to Atlanta**, hearing only a Word from God, she left everything and everyone to follow the Holy Spirit. Without a **JOB**, no place to **LIVE** and no **FRIENDS**. The next phase of the unknown began!
