

**HALLS GAP JAZZ & BLUES FESTIVAL
27/28/29 OCTOBER 2017**

Hi all Musicians & Music Lovers:

After many successful years, the Jazz Festival continues in the lovely valley of Halls Gap, 'Heart of The Grampians'. However, it has changed in name and fixture dates to the above.

Weather at this new time of the year is beautiful & no other events clash with these dates.

A small extra flavour of Blues has been added to all existing genres of jazz.

The inaugural Halls Gap Jazz & Blues Festival happened in October 2016 and was a huge success. Support from musicians and followers was overwhelming.

The event being smaller, was more intimate, enabling everyone to have easier social connections. Musicians & followers loved the atmosphere of the indoor venues with excellent sound rendition.

Go to our facebook page to see comments, photos & videos of last October's festival,

At present, these venues are: Hall, Hub, Pinnacle, Mountain Grand, Comfort Inn, Kookaburra Hotel, Spirit of Punjab.

Joining Instructions for October this year are attached with this letter. All information to do with pricing, payment methods, cut off dates, rules, etc, is clearly described on the Registration forms. Read very carefully & fill in all boxes. Non-compliance with instructions &/or blank boxes could deem a form invalid.

Let's have great fun again in October

Cheers all

Don Calvert
