We understand that Christmas is a special time, and many people love getting dressed up and going to fancy restaurants. And they're happy to pay a figurative arm and leg for this.

However, if you're looking for a slap-up, lip-smacking three-course meal in a friendly pub, we got you.

And don't you worry; we're not just looking to provide the average meal. We're looking to give you the Christmas experience. Fun. Flexible. Informal.

We've got a top notch range of wines, some darned tooting ale (normal and weird stuff, we don't discriminate) and all the rest of the jazz you get with a decent backstreet pub.

Available for lunch and dinner from Monday 27th November – Saturday 23rd December. Not available on Sundays. Parties 5 – 25. Larger parties will be sat on separate tables.

£5 non-refundable deposit per person required to book the date, menu choices to us 10 days before the booking.

We have written this menu to be as inclusive as possible, but if you have any **intolerances** or preferences please **let us know** so we can tailor it to your needs.
