## Agenda items

	Topic	Action
	Apologies	Colin Dakers, Gillian Orton
1.	Matters	<p>The incident log has been started.</p> <p>AR/AndyF</p> <p>First Aid Kits have been acquired by CD. One is in the container at Dechmont.</p> <p>ClubSL – Alison F reported that, after looking into the criteria, this scheme is not appropriate to our club. Equipment was loaned to the transplant games and, unfortunately the guy ropes and pegs were not returned. We are awaiting a response for replacements.</p> <p>AR/AndyF</p> <p>Handicap tables – have been bought and are in the equipment box. AR will work out the handicaps.</p> <p>AR</p>
2.	Accounts & Membership	<p>£5333 in the bank. Some small items of equipment need to be bought. Membership is stable. The three beginners from our in-house course look to be joining and the course in October is full so we will hopefully get a couple of members then.</p>
3.	Venues	<p>Dechmont is booked for next May – we will keep an eye on the sunset times and may request earlier.</p>

4.	Beginner's Courses	<p>Thanks were extended to Duncan for a successful 'in-house' course.</p> <p>The MRM course in October is now full.</p> <p>There is a young person receiving a Beginner's Course from 24<sup>th</sup> Sept. An invitation has been extended to another person who made an enquiry but they have not responded.</p> <p>DMcN suggested that it might be helpful to Beginners to have profiles of at least the Officebearers/Committee on the website. We could also ask for volunteers to put profiles on a members' page.</p> <p>He also suggested a Buddy System – Buddies would not necessarily have to know all the technical stuff but would be there just to keep an eye on the new people and point them in Duncan or Andy's direction. AR will email members for volunteers.</p> <p>Andy F/DMcE/DMcN will pass video links to AR to put on to the website.</p> <p>AR was asked to put an email out re how faces are put on Fewer faces will be put on at the start of a session so that people have more choice of the type of face they wish to shoot.</p>	AR
5.	Birthday Celebrations	Email to members to be ready to shoot at 1.30pm.	AR
6.	West Of Scotland Archery Association	DMcE/CR/AR going to the meeting on Monday 28 <sup>th</sup> September.	DMcE/CR/AR
7.	Club Development Course	AR is happy to attend on Saturday 16 <sup>th</sup> September on behalf of the club. Costs will be met by the club.	AR
8.	Request	Request from Louise asking us to work with Autistic children. This has funding implications that could not be met by the club. It was suggested that if they are able to suggest a venue we may be able to offer Soft Archery sessions depending on the number of	

children, the age groups and if there would be parent helpers available.

**12. AOCB**

The Postal League will begin in October. We will be able to field 3 teams this year.

It was suggested that we may be able to run Outdoor Club Target Days next year if we offer Short Metrics/Head2Heads.

It was suggested that we should make the Target Day at the end of Sept a Worcester for a change.

Next year AlisonF will look at the possibility of running Knockout Rounds.

We should also have an explanation on the website of the rounds.

It was noted that the first year of the club has been a resounding success and we hope it will go from strength to strength!

The Findlays were thanked again for their hospitality and cake!

**13. Date of Next Meeting**

Provisionally Thursday 2nd November 2017.
